1989 Audi 100 Engine Temperature Sensor  
Audi 100 quattro 1989 cold starting.. I own a 1989 2226cc audi100 quattro and would like to solve the starting problem. When cold the engine seems to be turning over for far too long before actually starting although it will start first time if cranked over for long enough. This cant be good for the starter. I have checked the cold start valve (engine cold)which seems to be working, it ...
