Since the 1970s, Islam has been undergoing a tremendous resurgence throughout the world. This resurgence has often been labeled "Islamic fundamentalism" by the media, but it includes believers of every persuasion, from the most conservative to the most liberal. Given this fact, it is vital for the West to understand the terms in which Islam thinks and to communicate effectively with Muslims. This anthology includes writings central to Islamic thought, some translated earlier but here redone, and others which have never before appeared in any Western language. The selections

include an interpretation of the Qur'an, as well as portions of the Hadith, or sayings and actions of the Prophet; Islamic law; mysticism (Sufism); theology; and sectarian writings. A final essay on Islam today places these writings in their contemporary context and shows the breadth and variety of Islamic belief and practice. Compiled with the intention of letting Islam describe itself in its own words, the book is an important source for all students of Muslim culture and world religions. This book is similar in scope to Williams' well-known 1961 George Braziller publication, but freshly written and much improved.

Spark a passion for sailing and the outdoors in your child From the Moonbeam Children ' s Book Awards bronze medal winner! Ever since humankind began seafaring, boats and shoreline adventures have produced sturdy, independent, creative, self-reliant kids. From the author of the bestselling Complete Sailor and proud father of a boy mariner, here is the book for all parents who want to introduce their kids to the world of boats, boating, sailing, the shore, and the sea. It provides dozens of adventures and activities for kids, and a plethora of projects for you and your kids to do together. Topics range from how-to to fanciful, in random organization so that each excursion into the book turns up unrelated gems on facing pages. The Anti-Pirate Potato Cannon encourages your kid to get outdoors and on the water, to build things, to try things, to cultivate their curiosity, to learn self-reliance, and to get a
