Small Steps, Big Strides is intended to build the foundational awareness and personal daily practices needed for a workforce ready to move our institutions toward a sustainable society. Unlike others in the lifestyle genre, this book provides more than a "to-do" list of environmentally and socially conscious actions. It details why and how to take action and offers step-by-step guides, with worksheets for tracking individual progress-just the tools needed to personalize your sustainability journey.

Interpersonal Conflict 1le examines the central issues that inform conflict and, in turn, make readers' personal and professional lives challenging and fascinating. With new cases and applications that reflect cultural changes that shape the ways people move through conflict, this new edition invites readers to reflect on, and better understand, conflict as it pertains to the unique vantage points of their lived experience.

Can you spot whether something is living or not living? Learn all about living things and inanimate objects in this colorful, engaging science reader! With clear, easy-to-read text combined with familiar images, young readers will be able to comprehend these examples and master an understanding of things that are living and not living. This reader also includes a fun science activity and practice problems to give students additional practice in sorting living and not living things. A helpful glossary and index are also included. This 6-Pack includes six copies of this title and a lesson plan.

At last, there's an authoritative guide to help interior designers apply green- building and sustainability applications to their environments. Sustainable Interior Design expertly introduces the principles of environmentally responsible design for interior environments. This useful reference provides beginning designers and experienced professionals alike with a comprehensive survey that covers everything from theoretical approaches to current practices. It helps designers understand the environmentally responsible approach and make design decisions that are ethical and do not harm the world's environment.

Book 5 Desert Rebels MC Series Bull plays as hard as he works in the MC, and he likes his life just the way it is. No commitments and a different woman in his bed every night. But a sweet little nurse catches his attention and before he knows it he's dealing with more than just trouble in the club.

Shame has no place in the purpose, plan, and destiny God has for us because shame lies to us, robs us of the freedom we long for, and shackles us in the prison of our past. In this five-session video Bible study (DVD/digital video sold separately), author and teacher Christine Caine weaves examples from her life with those of biblical characters who failed but overcame their shame to show how God heals us and redeems us. In her passionate style, she explains that if we want to change our futures, we have to believe God is bigger than our mistakes, our inadequacies, our pasts, and our limitations. We have to believe God created us for a unique purpose, has a specific plan for us, and has a powerful destiny he wants us to fulfill. God has already won the victory over sin and its shame, and we do not need to spend our lives believing the lies of the deceiver. Instead, we can allow ourselves to be defined by God's truth and choose to see ourselves the way God does-through the lens of his eternal perspective. So join the journey. Stop merely existing and start thriving. Lay hold of the power of Jesus Christ today and step into his future-a beautiful, full, life-giving future filled with purpose. You can live unashamed! Sessions include: Run, Don't Hide (21:00) Today Is the Day (19:00) Posses Your Inheritance (23:00) God Never Wastes a Hurt (20:00) Highly Unlikely (23:00) Designed for use with the Unashamed Video Study 9780310698735 (sold separately).
