Power - A Practical Guide for Facilitating Social Change. Share this Publication. Author: Raji Hunjan and Jethro Pettit. Year: 2011. ISBN: 0-900259-83-3. A lot of people talk about power. But very few really try to understand it. Yet, power affects everything we do - the decisions that control our lives; what emerges in the public agenda and what does not; even what information we have, what we know, and how we see ourselves as agents and actors.

Power - A Practical Guide for Facilitating Social Change

A Practical Guide to Care Planning in Health and Social Care was written for anyone who wants to improve their care planning skills or who wants to know more about the care planning process. It is written in plain language to suit people who are new to care planning but explores in depth some of the issues that arise when planning good quality care.
