Pastors and prayer coordinators can obviously create their own prayer guides, but we believe there is power in uniting the praying Church citywide, countywide, statewide, and nationwide.

7 Strong Prayers for City Leaders. Heavenly Father, we pray for city leaders as You give them responsibility to watch and guide over the nations they serve. Lord, just as you told prophet Ezekiel, that You have made him watchmen for the people of Israel; I pray for city leaders, that they will be godly watchmen and watchwomen over Your creation. We pray that just as You renewed Ezekiel's call as watchman, I pray that you will renew the call for every city leader, Amen.

In a close-up look at the politics of urban life, the Pulitzer Prize-winning journalist and author of Friday Night Lights follows the struggle of Mayor Ed Rendell to confront the many and diverse problems of his troubled city, Philadelphia. Reprint. 30,000 first printing.

From the Pulitzer Prize-winning author of Friday Night Lights, the heart-wrenching and hilarious true story of an American city on its knees and a man who will do anything to save it. A Prayer for the City is acclaimed journalist Buzz Bissinger's true epic of Philadelphia mayor Ed Rendell, an utterly unique, unorthodox, and idiosyncratic leader willing to go to any length for the sake of his city: take unions head on, personally lobby President Clinton to save 10,000 defense jobs, or wrestle Smiley the Pig on Hot Dog Day--all the while bearing in mind the eternal fickleness of constituents whose favor may hinge on a missed garbage pick-up or an overzealous meter maid. It is also the story of citizens in crisis: a woman fighting ceaselessly to give her great-grandchildren a better life, a father of six who may lose his job at the Navy Shipyard, and a policy analyst whose experiences as a crime victim tempt her to abandon her job and ideals. "Fascinating, humane" (The New Yorker) and alive with detail and insight, A Prayer for the City describes the rare combination of political courage and optimism that may be the only hope for America's urban centers.

Are you praying constricted prayers or disruptive ones? Most prayers are constricted ones. They're prayers that only focus on one part of the Lord's Prayer: "give us our daily bread." They're usually focused on self and envision God as a heavenly caretaker. Disruptive prayers, on the other hand, are powerful, uncommon, and deeply biblical. They focus on God rather than self, seek to advance the Kingdom, and submit all things to God. They are also prayed with a profound belief that prayer actually accomplishes something. When we pray disruptive prayers, that's when the revolution begins. This book shows you how to equip leaders, fuel kingdom movements, and do real damage to the powers of darkness in the here and now. But most of all, discover how your own heart will be transformed as you begin to see how much bigger prayer, and God, is than you ever thought possible.

An ancient spiritual practice for 21st century America For thousands of years, the Church has gathered during the day to praise God, confess sin, and pray for themselves and others, both in community and individually. Recently, however, commitment to ancient spiritual practices has waned and prayer is considered a waste of time. PRAYERS FOR MY CITY sets out to recapture the power of fixed-hour prayer for 21st century America by helping the Church reconnect to this ancient spiritual practice. Through this highly accessible and simple prayer format, you can engage in this historic Church practice while also praying for your community. This prayer book isn't just any prayer book-it's America's prayer book. It's a guide to help you pray for your hometown with others in one voice, while helping you stay connected to your Creator and Redeemer throughout the day. Pray for your city while finding an oasis in the middle of the chaos of life. Prayer Book Includes: Three 15-minute daily prayer sessions Twenty-one prayers for your city Liturgical prayers from "The Book of Common Prayer" Historic hymn meditations One-year Bible reading plans

Imagine a city where more than 100 churches and thousands of believers pray in an unceasing way, 24/7, for their community and for revival and spiritual awakening. That is happening in Austin, Texas, and now in city after city across the country. "City of Prayer: Transform Your Community through Praying Churches" by Pastors Trey Kent and Kie Bowman tells the story. Plus it shows the reader how this can happen in any community. Having unceasing prayer in your community is possible--even in your community. Learn a simple method in City of Prayer.

DIVordinary believers are stepping into the streets to pray effectively for their neighbors. With eyes open to real needs and with ears open to the promptings of God's Spirit, intercession becomes an adventure. /div

Covers 30 key aspects of dynamic prayer, such as repentance, passion, journaling, fasting, listening, spiritual warfare, praying with others, and more.

The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. Head.

A Pattern of Prayer is a guide to prayer based on the daily, weekly, and occasional prayers of an intentional, ecumenical, Christian community called Grace and Main Fellowship in Danville, Virginia. It's designed to cultivate a rhythm to the life of prayer either in groups or by individuals. Providing a structure for morning, midday, evening, and night prayer, it is an excellent devotional aid that also allows the reader, or readers, to pray along with others wherever they may be. Also included are some of the prayers and blessings used in the work of the community, as well as the community's "identity statements" or "little rule." To make use of the prayerbook, all you'll need, in addition to the book, is a Bible.
