Caralyn McCreigh has always believed in three things: that her father, Daniel, would never force her into marriage; that she could have a storybook romance with a man who sweeps her off her feet and a loving marriage like the one her parents share; and that Queen Isabella's legendary lost treasure, Izzy's Fortune, exists. When her father tells her that her marriage has been arranged, all her beliefs are shattered, and she does exactly as he hopes she will - embarks on a quest to find Izzy's Fortune. She believes that if she finds the treasure, she'll be able to buy herself out of a marriage to a man she doesn't know or love. And who better to help her than Captain Trey, the infamous treasure hunter? Tristan Youngblood, captain of the Adventurer and future Earl of Winterbourne, would much rather sail the oceans and search for lost treasure than settle down and take over the reigns of the Winterbourne estates. However, when he receives news that his future has been decided for him, he knows he has no choice. He has no qualms against marriage itself, except for what he witnessed in the misery of his parents' union. He does not desire the same for himself, so instead of rushing home to England to court his future wife, Tristan accepts Caralyn's proposal and embarks on one last grand adventure to search for Izzy's Fortune.

In the new Secret, Book, and Scone Society novel from New York Times bestselling author Ellery Adams, the rain in Miracle Springs, North Carolina, has been relentless--and a flood of trouble is about to be unleashed. . . As the owner of Miracle Books, Nora Pennington figures all the wet weather this spring is at least good for business. The local inns are packed with stranded travelers, and among them Nora finds both new customers and a new friend, the sixtysomething Sheldon, who starts helping out at the store. Since a little rain never hurt anyone, Nora rides her bike over to the flea market one sodden day and buys a bowl from Danny, a Cherokee potter. It'll make a great present for Nora's EMT boyfriend, but the next day, a little rain turns into a lot of rain, and the Miracle River overflows it banks. Amid the wreckage of a collapsed footbridge, Danny's body lies within the churning water. Nora and the sheriff both doubt the ruling of accidental drowning, and Nora decides it's time for the Secret, Book, and Scone Society to spring into action. When another body turns up, it becomes clearer that Danny's death can't be blamed on a natural disaster. A crucial clue may lie within the stone walls of the Inn of Mist and Roses: a diary, over a century old and spattered with candle wax, that leads Nora and her friends through a maze of intrigue--and onto the trail of a murderer. . .

Katherine Adams said she'd never make her sister Mary's mistakes. Mary's fairy-tale marriage into the wealthy, powerful Manning dynasty had turned into a nightmare of abuse. Then, on the night her playboy husband was killed in a car accident, Mary died in childbirth. Now savvy, smart, and very angry Katherine vowed to never let a Manning, any Manning, near Mary's child -- not even the dashing, charismatic oil man who showed up at her door. And Katherine could be destroyed by a truth she was afraid to face..and a man she could not resist.
