Solution: A toll call is when a participant calls into a toll number and generally pays the long distance fees that are associated with the call. The Webex subscriber pays the toll rate (as defined in the

Download File PDF Access Restrictions To Webex Toll Free Numbers

contract) for audio usage. A toll-free call is when a participant calls into a region-specific toll-free number (within the US the area code is 800, 866, 877, 888, etc.) and generally does not ...
