Those creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Muse choose Adobe Muse Classroom in a Book from the Adobe Creative Team at Adobe Press. The 10 project-based lessons in this book show readers step-by-step the key techniques for working in Muse. Readers will learn Muse from the ground up and create websites using the latest web standards without writing code. They will learn how to plan projects using site maps and master pages; design pages and add interactivity through buttons, links, and widgets; access 500 Typekit web fonts included with subscription to Muse; and publish a website via Business Catalyst or standard web hosting. The companion disc includes lesson files so readers can work along with the book. ****Breaking News!** Register your book at peachpit.com/register to receive a free “What’s new” guide which provides a hands-on tour of the new and improved Muse features in the Second Quarter 2013 (CC) update, including a new Layers panel; parallax scrolling; in-browser editing; and improvements to forms, metadata, and plan mode viewing options. Unlike previous updates, this update will not reference the existing Classroom in a Book lessons but instead should be used in addition to the Classroom in a Book lessons. “The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students.” –Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book.
