All Broke Down Rusk University

All Broke Down is a mixture of college football and romance. It's got everything in there to make your heart swoon. This is the second installment to the Rusk University series (would recommend reading "All Lined Up" before). I love all of the books out available in this series so far! Would definitely recommend reading!

All Broke Down: A Rusk University Novel: Carmack, Cora ...
If you are a die-hard fan of sports romance, you are bound to adore yet another great book from the Rusk University series. All Broke Down is a sweet and angst-driven college romance book that heavily explores family drama, told by both main characters Silas Moore and Dylan Brenner. Silas is the running back of Rusk University's football team.

Amazon.com: All Broke Down: Rusk University, Book 2 ...
All Broke Down is a little darker than the first book in the series, but still light-hearted enough that it wasn't all about the angst. Like any story based in college — especially one prominently featuring the campus bad boy jock — there's plenty to be had in the way of parties, drinking, and other debauchery.

VERDICT A goal-oriented, superorganized student trying to expand her social experiences and a college athlete trying to get over his ex find friendship and more in this upbeat, sexy, coming-of-age romance that appears to have this modern age group nailed. Carmack (All Broke Down) lives in New York City. Library Journal

In this second book in New York Times and USA Today bestselling author Cora Carmack’s New Adult, Texas-set Rusk University series, which began with All Lined Up, a young woman discovers that you can’t only fight for what you believe in . . . sometimes you have to fight for what you love Dylan fights for lost causes. Probably because she used to be one. Environmental issues, civil rights, education—you name it, she’s probably been involved in a protest. When her latest cause lands her in jail for a few hours, she meets Silas Moore. He’s in for a different kind of fighting. And though he’s arrogant and not at all her type, she can’t help being fascinated with him. Yet another lost cause. Football and trouble are the only things that have ever come naturally to Silas. And it’s trouble that lands him in a cell next to do-gooder Dylan. He’s met girls like her before—fixers, he calls them, desperate to heal the damage and make him into their ideal boyfriend. But he doesn’t think he’s broken, and he definitely doesn’t need a girlfriend trying to change him. Until, that is, his anger issues and rash decisions threaten the only thing he really cares about, his spot on the Rusk University football team. Dylan might just be the perfect girl to help. Because Silas Moore needs some fixing after all.

New York Times and USA Today bestselling author Cora Carmack follows up her trio of hits—Losing It, Faking It, and Finding It—with this thrilling first novel in an explosive series bursting with the Texas flavor, edge, and steamy romance of Friday Night Lights. In Texas, two things are cherished above all else—football and gossip. My life has always been ruled by both. Dallas Cole loathes football. That’s what happens when you spend your whole childhood coming in second to a sport. College is her time to step out of the bleachers, and put the playing field (and the players) in her past. But life doesn’t always go as planned. As if going to the same college as her football star ex wasn’t bad enough, her father, a Texas high school coaching phenom, has decided to make the jump to college ball... as the new head coach at Rusk University. Dallas finds herself in the shadows of her father and football all over again. Carson McClain is determined to go from second-string quarterback to the starting line-up. He needs the scholarship and the future that football provides. But when a beautiful redhead literally falls into his life, his focus is more than tested. It’s obliterated. Dallas doesn’t know Carson is on the team. Carson doesn’t know that Dallas is his new coach’s daughter. And neither of them know how to walk away from the attraction they feel.

In the third book in New York Times and USA Today bestselling author Cora Carmack’s Rusk University series, a good girl is about to find out what happens when she creates the ultimate college bucket list and she sets her sights on a jock. First person in her family to go to college? CHECK. Straight A’s? CHECK. On track to graduate early? CHECK. Social life? . . .yeah, about that. . . . With just a few weeks until she graduates, Antonella DeLuca’s beginning to worry that maybe she hasn’t had the full college experience. (Okay. . . Scratch that. She knows she hasn’t had the full college experience). So Nell does what a smart, dedicated girl like herself does best. She makes a “to do” list of normal college activities. Item #1? Hook up with a jock. Rusk University wide receiver Mateo Torres practically wrote the playbook for normal college living. When he’s not on the field, he excels at partying, girls, and more partying. As long as he keeps things light and easy, it’s impossible to get hurt... again. But something about the quiet, shy, sexy-as-hell Nell gets under his skin, and when he learns about her list, he makes it his mission to help her complete it. Torres is the definition of confident (And sexy. And wild), and he opens up a side of Nell that she’s never known. But as they begin to check off each crazy, exciting, normal item, Nell finds that her frivolous list leads to something more serious than she bargained for. And while Torres is used to taking risks on the field, he has to decide if he’s willing to take the chance when it’s more than just a game. Together they will have to decide if what they have is just part of the experiment or a chance at something real.

Sometimes you have to lose yourself to find where you truly belong . . . Most girls would kill to spend months traveling around Europe after college graduation with no responsibility, no parents, and no-limit credit cards. Kelsey Summers is no exception. She's having the time of her life . . . or that's what she keeps telling herself. It's a lonely business trying to find out who you are, especially when you're afraid you won't like what you discover. No amount of drinking or dancing can chase away Kelsey's loneliness, but maybe Jackson Hunt can. After a few chance meetings, he convinces her to take a journey of adventure instead of alcohol. With each new city and experience, Kelsey's mind becomes a little clearer and her heart a little less hers. Jackson helps her unravel her own dreams and desires. But the more she learns about herself, the more Kelsey realizes how little she knows about Jackson.

Mackenzie "Max" Miller has a problem. Her parents have arrived in town for a surprise visit, and if they see her dyed hair, tattoos, and piercings, they just might disown her. Even worse, they're expecting to meet a nice wholesome boyfriend, not a guy named Mace who has a neck tattoo and plays in a band. All her lies are about to come crashing down around her, but then she meets Cade. Cade moved to Philadelphia to act and to leave his problems behind in Texas. So far though, he's kept the problems and had very little opportunity to take the stage. When Max approaches him in a coffee shop with a crazy request to pretend to be her boyfriend, he agrees to play the part. But when Cade plays the role a little too well, they're forced to keep the ruse going. And the more they fake the relationship, the more real it begins to feel. The hot new, New Adult title from New York Times bestselling author of Losing It, Cora Carmack.

What happens after the happy ending? Garrick is over the moon that his girlfriend, Bliss, said yes. He's finally found the love of his life. That means his worries are over, right? But when he invites her to visit London and meet his family, he is presented with a whole new set of problems. How will his privileged and wealthy family react to Bliss's unique brand of awkwardness?

At once a revered canon associated with Confucius and the earliest anthology of poetry, the Book of Poems holds a unique place in Chinese literary history. Since early imperial times it served as an ideal of literary perfection, as it provided a basis for defining shi poetry, the most esteemed genre of elite composition. In imperial China, however, literary criticism and classical learning represented distinct fields of inquiry that differed in status, with classical learning considered more serious and prestigious. Literary critics thus highlighted connections between the Book of Poems and later verse, while classical scholars obscured the origins of their ideas in literary theory. This book explores the mutual influence of literary and classicizing approaches, which frequently and fruitfully borrowed from one another. Drawing on a wide range of sources including commentaries, anthologies, colophons, and inscriptions, Bruce Rusk chronicles how scholars borrowed from critics without attribution and even resorted to forgery to make appealing new ideas look old. By unraveling the relationships through which classical and literary scholarship on the Book of Poems co-evolved from the Han dynasty through the Qing, this study shows that the ancient classic was the catalyst for intellectual innovation and literary invention.

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

Breakout sensation Monica Murphy returns with a hot new contemporary romance—a heartfelt story of second chances, forgiveness, and redemption. Commitment. That's what I really want from Colin. Ever since my brother, Danny, died in Iraq, Colin's done so much to help me, including giving me a job at his popular restaurant so I can leave my crappy waitressing job at the strip joint. But lying in bed with him every night to comfort him from his horrible nightmares isn't enough anymore. I know he feels guilty about Danny's death, about not going to Iraq, but I can't keep living this double life. I love him desperately, but he's got so many demons, and if he can't open up to me now, then he'll never be the real partner I need him to be. I gave him a month, and now I'm out of here. If he truly loves me like he says, he knows where to find me. . . . Praise for Three Broken Promises “The heat between these two is explosive. . . . It is the emotion and the shared tragedy between Jen and Colin . . . that takes this book to another level.”—Heroes and Heartbreakers “Filled with emotion, drama, red-hot sex, intensity, and a love that may as well have been written in the stars, Three Broken Promises is another must read from Monica Murphy.”—Holly's Hot Reads “Three Broken Promises is an absolutely out-of-this-world perfect romantic story that swept me off my feet. Once again, I fell in love with [Monica] Murphy's easy style of writing, great sense of humor and ideal characters. . . . I felt glued to the pages and there wasn't a single thing that could make me stop reading.”—Smokin Hot Book Blog “I fell in love with this series the moment I opened One Week Girlfriend and Three Broken Promises didn't disappoint. . . . I can say without a doubt that I enjoyed every minute of this book.”—Book Blogger Paradise “Murphy has done it again. . . . This story will make you smile, it will warm your heart and soul, and it may even have you pulling your hair out as these two amazing people navigate the rollercoaster that is love. I loved everything about it.”—Roxy's Reviews “Such a delicious book . . . Monica's writing is addictive as always, and I'm really looking forward to the next book.”—City of Books
