1. ‘ NCERT Solutions ’ a unique book containing Questions-Answers of NCERT Textbook based questions. 2. The present edition of Class 8 th Science provide solutions to Textbook questions 3. It is divided into 18 chapters, covering the syllabi of Science for Class VIII. 4. Comprehensive solutions help students to learn the concepts enhances thinking abilities 5. Book covers the text matter into reading notes format covering all definitions, key words,important points, etc. 6. The book gives detailed well explained solutions to all the exercises 7. It contains simplified text material in the form of quick reading notes NCERT Textbooks play an immense role in developing student ’ s understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class VIII following the NCERT Textbook for Science. The present book has been divided into 18 Chapters namely Crop Production Management, Microorganisms: Friend Foe, Synthetic Fibres & Plastics, Materials: Metals & Non-Metals, Coal & Petroleum, Combustion & Flame, Conservation of Plants & Animals, Cell: Structure Functions, Reproduction in Animals, Reaching the Age of Adolescence, Force Pressure, Friction, Sound, Chemical Effects of Electric Current, Some Natural Phenomena, Light, Stars the Solar System and Pollution of Air & Water, covering the syllabi of Science for Class VIII. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the Science textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class VIII Science Examination. Through comprehensive solutions, the students can learn the concepts which will enhance their thinking & learning abilities. For the overall benefit of the students, along with the solutions the book also covers the text matter of NCERT textbooks in easy reading notes format covering all definitions, key words, important points, etc. The book also contains Intext Questions, Paheli & Boojho Questions, Chapter End Exercises along with Selected NCERT Exemplar Problems. For the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities. As the book has been designed strictly according to the NCERT Textbook of Science for Class VIII and contains simplified text material in the form of quick reading notes and answers to all the questions in lucid language, it for sure will help the Class VIII students in an effective way for Science.

This book comprises solution of every question of mathematics. This book is prepared as per the guidelines, syllabus and marking scheme issued by CBSE for Class VII Summative Assessment I and II. The salient features of this book are: • This book have been so designed that complete syllabus is covered. • This book helps student in identify their weak areas and improve them. • Also it will help students gain confidence and will help students evaluate their reasoning, analysis and understanding of the subject matter.

Questions are the root cause of success. The more new & authentic questions you will have, the more new & authentic knowledge you will have. Considering this fact, the Department of Education in Science & Mathematics (DESM) with an aim to improve the quality of teaching/learning process in schools has made an attempt to develop resource books of Exemplar Problems in different subjects at secondary and higher-secondary stage. These specialized resource books named NCERT Exemplars are not meant to serve merely as question banks for examinations but are primarily meant to discourage rote learning. The first and the only books of its kind by Arihant Publications is an attempt at providing comprehensive guide to NCERT Exemplar Problems-Solutions for Class 6th to 12th. The present book for Class 8th Science contains different types of questions of varying difficulty level. Also detailed explanation for comprehensive understanding has been given for all objective and subjective problems. The present book has been divided into 18 chapters namely Crop Production & Management, Microorganisms: Friend & Foe, Synthetic Fibres & Plastics, Materials: Metals & Non-Metals, Coal & Petroleum, Combustion & Flame, Conservation of Plants & Animals, Cell: Structure & Functions, Reproduction in Animals, Reaching the Age of Adolescence, Force & Pressure, Friction, Sound, Chemical Effects of Electric Current, Some Natural Phenomena, Light, Stars & Solar System and Pollution of Air & Water. The problems provided in the book will test comprehension, information recall, analytical thinking and problem-solving ability, creativity and speculative ability. Detailed explanation has been provided for all objective and subjective problems covered in the book. The book will also be highly useful for school examinations and to build foundation for entrance examinations. As the book contains detailed and comprehensive solutions for NCERT Exemplar problems for Class 8th Science, it for sure will act as a catalyst in helping discourage rote learning.
