Peter is preeminently the apostle of hope, as Paul is the apostle of faith and John of love. As believers, we have a "living hope" because we trust a living Christ (1 Peter 1:3). This hope enables us to keep our minds under control and "hope to the end" (1 Peter 1:13) when Jesus shall return.

"Hope is not a sedative; it is a shot of adrenaline, a blood transfusion." Through clever word pictures like this, best-selling author and former pastor Warren Wiersbe preaches the same message Peter preached so long ago. Turning each enlightening page, believers gain increasing confidence in true Hope, a God in whom they don't just wish for eternal life. In Scripture, hope means the promise of salvation for those who have accepted Him and His Son's death and resurrection. Christians who possess this hope and live as though they possess it will learn godly submission, holy living, and harmony with other believers. These qualities will prepare them for what Peter paints in his epistle as inevitable-suffering and persecution. Though Peter is writing to warn a people who would soon be under the tyranny of a heathen Roman emperor, some level of suffering will always be a part of the believers' journey. A time is soon coming when living the "comfortable" Christian life will be far more costly than the life willing to give up all.

Often those with the deepest hurt appreciate grace most. Which may explain why Peter, the apostle who once denied his Savior, wrote a remarkable letter that celebrated the hope and grace found in Christ. Based on Warren Wiersbe's Be Hopeful, this eight-week of study of 1 Peter contains fresh insights that help connect God's truth with everyday life.

"Like a child eating cotton-candy at the circus, many people who expect to bite into something real end up with a mouthful of nothing. They waste priceless years on empty substitutes for reality." Through clever word pictures like this that strike the reader with their simple truth, acclaimed best-selling author and former pastor Warren Wiersbe shares priceless unchanging realities as he opens up the book of I John. Though Be Real is originally copyrighted in 1972, Wiersbe's text is enchantingly as timeless as the truths in the Bible itself! His humor is witty, his research is extensive, his historical context is deep, and his commentary is solidly based on the Word of God. In fact, the "Word was with God, and the Word was God" (John 1:1) is the crux upon which he builds to explain the manifestation of a perfect, holy Supreme Being to this hurting world of finite sinners. Heaven blesses earth and the Divine Creator becomes one of the created in this personal and/or group study that you will not soon forget.

The study guide for life's true or false questions The world is filled with counterfeits. And the church is not immune, as false ideas and doctrines can infect believers and congregations. So when it comes to spiritual teachers, messages, and movements, how can we tell fact from fiction? The answers are found in 2 Peter, 2 & 3 John, and Jude, where the apostles provide practical insights for discerning truth. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, Be Alert has now been updated with study questions and a new introduction by Ken Baugh. Why does God allow bad things to happen to good people? Warren W. Wiersbe tackles this question as he explores the life of Job in his commentary Be Patient. Through Job's story, we are reminded of God's sovereignty and encouraged to endure the suffering in our own lives. In a single day, Job's wealth was plundered, his ten children were killed, and his health was taken. His friends judged him and his wife did not stand by her man. But Job held on to his trust in Almighty God—a Father who is always good and always faithful. In addition to restoring his wealth and relationships, God gave Job a much greater blessing: a deeper knowledge of Himself and His ways. Trust the pastor's pastor, Warren W. Wiersbe, to guide readers into a better understanding of God's sovereignty as they face trials in their own lives.
