Garrett is the New York Times bestselling author of The Coming Plague: Newly Emerging Diseases in a World Out of Balance (1994) and Betrayal of Trust: The Collapse of Global Public Health (2000). She has appeared frequently on national television programs, including Nightline, PBS NewsHour, The Charlie Rose Show, and The Oprah Winfrey Show. She is the recipient of numerous honors, including a Pulitzer Prize and Peabody and Polk awards.

Betrayal of Trust: The Collapse of Global Public Health----

A chilling account of the collapse of public health throughout the world, and the potential ramifications for the future of the human race. Garrett is a first-rate journalist, and this book reads like a detective story—fast-paced, dramatic, full of action and suspense—while at the same time sticking closely to the facts and conclusions rendered by the best professionals in the field.

Betrayal of Trust: The Collapse of Global Public Health----

In Betrayal of Trust, Garrett's subject is public health itself: the desperate inadequacy of public-health infrastructure in much of the developing world and the shocking neglect of that infrastructure in "developed" nations. Garrett moves from the relatively simple inadequacies revealed by the 1994 pneumonic plague outbreak in India and the 1994 Ebola epidemic in Zaire to a nuanced analysis of the issues involved in the near-total collapse of public health in the former USSR and the years ...
