in an investigation.

Writing such papers is similar to the writing in other scientific disciplines except that the format will differ as will the criteria for grading.

Biology Research Paper Format

Structure of a biology research paper. All good research papers contain

Download Free Biology

the following structures as they keep the thought process in line with what the paper aims to achieve. Keep this in mind when drafting your outline:

1. Title. The title of your paper should be an opening statement or question based on the topic of the paper.
2. Abstract
