The pest control programme must be carried out by trained and competent personnel, and therefore the company needs to commit to the provision of resource for training and the continuing professional development (CPD) of its own staff to the same level that would be expected of an external contractor (refer to qualifications of staff in section 6).

BEST PRACTICE GUIDELINE

The Pest Control Requirements of the BRC Global Standards for Food Safety, and Storage and Distribution. Introduction. This guide was updated to reflect changes made in Issue 8 of the BRC Standard for Food Safety, published in August 2018. It provides our interpretation and guidance concerning the pest control requirements, and best practice, for both Issue 8 of the BRC Global Standard for Food Safety and the Storage and Distribution Standard (Issue 3).
