Cut out a piece of thick cardboard for the baseboard and cover it with the black fabric from the jacket's lining. Hot glue the dragon's neck to the cardboard and secure with super glue. I used the flat half of a Grommet for the backing. By bending it with pliers and gluing it to the back, it forms a perfect hook.

I have two versions of the dragon here. Version #1 One is where the kiddo looks like they are riding the dragon, in which case you need to create a neck. Use some of the cardboard to create a tube shape. Tape this securely onto the front of the dragon. Cut out the wings. Leave a tab on the edge to tape to the body. Cut out a hole in your main box.
