In this course you will explore what it means to live as a Christian in community within an ever-changing Canadian culture. The course emphasizes the importance of being a purposeful, informed and active citizen. You will learn about the elements of democracy and the meaning of democratic citizenship in local, provincial, national, and global contexts. In addition, you will learn about other systems of government, discuss social change, examine decision making processes in Canada, examine beliefs and perspectives on civics questions, and practice how to think and act critically and creatively about public issues. Most importantly this course will encourage you to become actively involved in influencing decisions and initiating positive change. Included: - Professional bound full colour workbook (122 pages)- Answer keys for all activities packages and test. - Google Drive access with creative powerpoints and activities - Three dynamic units that meet or exceed provincial standards- Complete Exam with review activities and answer key. - No textbook needed! A free e-Booklet is included. - In-depth activities packages and creative powerpoints- Clear unit guides (checklist style)

Civics Now is a program that all teachers will be able to successfully deliver regardless of subject area specialty. Key Features: Extensive content in the areas of human rights, environmental citizenship, and Aboriginal issues Embedded Literacy Strategies and Skills Appendix to support student learning Accessible reading level and highly visual design engages reluctant readers

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

A guide for learners of English as a second language and an introduction to how parliament works.

This Course Guide provides an overview of all content and tools in the print and online resources. It also offers teachers resources for instructional planning and assessment.

Robert's Rules of Order for Deliberative Assemblies Henry M. Robert There appears to be much needed a work on parliamentary law, based, in its general principles, upon the rules and practice of Congress, and adapted, in its details, to the use of ordinary societies. Such a work should give, not only the methods of organizing and conducting the meetings, the duties of the officers and the names of the ordinary motions, but in addition, should state in a systematic manner, in reference to each motion, its object and effect; whether it can be amended or debated; if debatable, the extent to which it opens the main question to debate; the circumstances under which it can be made, and what other motions can be made while it is pending. This Manual has been prepared with a view to supplying the above information in a condensed and systematic manner, each rule being either complete in itself, or giving references to every section that in any way qualifies it, so that a stranger to the work can refer to any special subject with safety.

A collection of letters written by Governor General David Johnston that outline his thoughts about what makes Canada unique in the world.
