The IGCSE Mathematics past year papers (0580) course is tiered to enable effective differentiation for learners. The Core content is intended for learners targeting grades G–C. The Extended content is intended for learners targeting grades D–A*. All of the Core content is in the Extended content.

IGCSE Mathematics Past Year Papers (0580) - Download 2020

To take account of differing abilities, there is a choice between Core and Extended papers in some IGCSE subjects. This allows teachers to decide on the most appropriate level of papers for their students. The Core curriculum in each subject is within the ability range of a large majority of students. It provides a full overview of the subject ...
