Plenty of books on sex suggest that it has to be done in a certain way, or in a certain kind of relationship, or with certain people. This isn't that kind of book. *Enjoy Sex* is a truly practical, friendly guide through the confusing, and sometimes alarming, world of sex and sexuality. Its radical approach puts your experience at the heart of the book, and invites you to explore what might be enjoyable to you. With the authors' engaging and thoughtful style, the book challenges the messages we receive about 'normal' sex, looks at how to understand and care for yourself, delves into ideas of pleasure for different bodies, ages and tastes, explores relationships, and tackles the tricky topics of communication and consent. So, throw out the rule book and learn to listen to your own desires. This may just be the most helpful book about sex ever.

Review There's more wisdom in these pages than in an airlift or convoy of Chinese fortune cookies. John's take on late-night comedians and the news is alone worth the modest price he's charging for opening our eyes and ears to some good 'ol truths from the school of hard knocks. I just wish he'd written this sooner; it might have saved my life. --Bill Moyers --Wipf and Stock Publishers This book is proof that John Hayes is far more interested in saying something true than in saying something agreeable. If you have ever worried about the way your toenails look as you get older-or about how to live with integrity in a world full of scoundrels and a few good friends-you will find companionship in this volume. What sets it apart from others in its genre is Hayes's aversion to sentiment and cliché. Every page of this book is as tart as a pickle. --Barbara Brown Taylor author of *Leaving Church and An Altar in the World* --Wipf and Stock Publishers I am recommending this slim volume, but with qualifiers. Do not read rapidly. This book consists of only fifty-two pieces, but they are not pieces; each one is whole and complete. I recommend one a day. But fast or slow, you'll be seduced. Like philosophy? Plato is here but he often sounds like an Alabama farmer. Like poetry? Some of these lines soar, but be prepared to land in the old cat's litter box. Like old maxims? They are here, but John may play the flip side, which is also true. As C. H. Dodd said of Jesus' parables, these musings will 'tease your mind into active thought.' Enjoy. --Fred Craddock Bandy Professor Emeritus, Emory University --Wipf and Stock Publishers About the Author John H. Hayes is Emeritus Professor of Old Testament at Emory University's Candler School of Theology. He is also the author of *Understanding the Psalms* and coauthor of *A History of Ancient Israel and Judah*, 2nd ed., and *A New Chronology for the Kings of Israel and*

Judah.

A single city woman meets Mr. Right—he has amber eyes and a wily heart. There's only one catch . . . he has four legs and a tail. Relatively indifferent to the natural world, allergic to dogs, and happily independent, writer Louise Bernikow never had a pet and knew nothing about caring for one. But one day while running along Manhattan's Hudson River, she came across an abandoned boxer. He had a gimpy leg and a dim past, but Bernikow instantly, bewilderingly, did the one thing her mother always warned her not to do—she brought the strange male home. Here is the comical and offbeat story of their first year together. Libro, as she comes to call him (for "book," in Spanish), introduces her to the curious world of dog runs and dog people, and to a local dive where the bartender pulls pints from the tap and dog biscuits from the drawer. Bernikow, in turn, introduces Libro to the eccentric neighbors and to life as a media hound. When they meet a handsome man and his equally handsome dachshund, life takes an unexpected turn for both of them. Wonderfully written and captivating to the last, this is a remarkable tale of companionship.

Discovering she has only six months to live, Jean Stapleton-Blige tries to repair the relationships with her children, who want nothing to do with her, and her minister husband, who has spent their marriage seducing other women.

Full of imaginative line drawings and heartwarming ballads, this is the perfect gift for any romantic. If I were a dream And I were yours to keep, I'd make your dreams come true by day, Not only in your sleep. This collection of heartfelt poems and adorable illustrations captures some of the sweetest, most whimsical, romantic gestures that could ever be imagined—the perfect way to show a loved one just how much they are cared for.

Henry is generally well-behaved, but he is occasionally arrogant and vain. Henry is at heart a hard worker, but his frequent bouts of illness hinder his work.

They are wallflowers, bluestockings, merry widows, and debutantes--members of a secret, exclusive Lady's Club in Berkeley Square! There ladies indulge in daring wagers, learn to fight, read scandalous books, and learn the art of wooing the gentlemen they will bring to their knees...Sebastian Crawford, Duke of Hartford, cares about his duty, honor, and family. He has everything planned: his sister is engaged, and now plans to select his duchess from a list of eligible debutantes. The last thing he expects is his sister to go missing a few weeks before her wedding!Lady Theodosia Winfern is upset when a devilishly attractive duke accuses her of persuading his sister to run from her duties. He declares that Theo won't leave his side (even if it means sleeping in his chamber) until his sister is found. Theo has little choice but to go along with his scandalous demands. The last thing she wants is the powerful duke as her enemy, especially as he knows about her secret lady's club!Both are quick to deny the increasingly fiery attraction between them until temptation becomes irresistible and passion can no longer be denied...

Ex-Army sergeant, Drew Lancaster demands order, but when he's thrust into small-town politics involving crazy elders and a manipulative mayor he finds himself submerged in chaos. His only hope to navigate the strange rules of the town comes from a distractingly beautiful, mess of a woman - Carissa Donahue. As a small town girl, Carissa lives her life on a whim and a prayer. Even in the kitchen she never uses a recipe, yet her sweets are known as the best throughout the South. She has no desire to be a part of Drew's show, but she knows it's the town's best option to increase tourism during a troubling economic time. If there wasn't an upturn, she'd have to close her bakery. She can't lose it. Owning a bakery has been her lifelong dream, and her focus since her best friend ran away with her fiancé. The icing on the project for Drew is that a colleague has promised him a spot working at a real film network if Drew can spend time with Carissa and not fall in love. Drew isn't sure he can resist the one person he'd never date under different circumstances, nor is he sure he wants to. Can Drew convince Carissa she can trust him enough to open her heart?
