Dialogue/Story. I went to
see my doctor because I had
a nagging pain in my leg.
After he examined me and ran
some routine tests, he
suggested that I go see a
specialist. I made an
appointment with Dr. Sloap.
Dr. Sloap: Good morning.

"I tried many other sites with English study but now I am sure yours is the best. It has always been quite difficult for me learning English. Now with your lessons, listening has become much more interesting because of your clear explanations I can understand the text quite well. Sometimes I forget I am listening to the lesson in English and not in my native Russian language!

Learning a language is a sensory (sight, sound, smell, taste and touch) experience! You learn not only by looking at the language, but also by hearing it—and one day, smelling, tasting and touching it too.. If you want to improve your English language skills, but don't want to look at any more textbooks, I've got the answer you've been searching for: English podcasts.

ESLPod.com uses a very different approach from that of other courses or websites. Our method is based on the fact - supported by more than 40 years of scientific research - that the fastest way to improve your English is to listen to conversations and discussions you can understand. Many people try to improve their English by listening or reading things in English that are too difficult.
