Guided Reading is the grouping of students that are reading and comprehending texts at a similar level. The guided reading process is instructional and involves a teacher working, assessing and supporting each groups reading and comprehension strategies. This collection of teaching resources, activities, classroom posters and blog articles provides support and guidance in the running of literacy groups including a guided reading station within your classroom.

~~Guided Reading Teaching Resources, Worksheets & Activities ...~~

I never devote a ton of time to it during guided reading (because students can do this independently), but it's an option for students who finish reading early. Organize for Engagement. In the past, whenever I fell into a repetitive pattern during guided reading, it was often due to a lack of organization.

Guided reading is a great tool for students K-12. Just adjust your readings and questions according to what level you are teaching. To teach guided reading, you'll need to determine your students' instructional reading level (IRL). The easiest way to do that is to use a chart provided by your school to identify what level each student reads at.
