Imadoki! (Nowadays) follows the trials and tribulations of a budding horticulturist as she makes her way down the winding road to friendship. From Yuu Watase, one of Japan's most beloved shōjo artists, Imadoki! packs comedic charm and heartfelt antics into an adorable bouquet of whimsical fantasy. For Tanpopo Yamazaki, life at the elitist Meio Academy seems way out of her league. The daughters of wealthy families snub her, other students make light of the fact that she actually tested into Meio instead of relying on family connections, and the cute boy she saw tending a dandelion the day before wouldn't even acknowledge her existence. Hoping to make friends and have some fun, Tanpopo starts up a gardening committee, but will this help her survive in a school where superficiality and nepotism reign supreme?

The fun and simple problem-solving guide that took Japan by storm Ken Watanabe originally wrote Problem Solving 101 for Japanese schoolchildren. His goal was to help shift the focus in Japanese education from memorization to critical thinking, by adapting some of the techniques he had learned as an elite McKinsey consultant. He was amazed to discover that adults were hungry for his fun and easy guide to problem solving and decision making. The book became a surprise Japanese bestseller, with more than 370,000 in print after six months. Now American businesspeople can also use it to master some powerful skills. Watanabe uses sample scenarios to illustrate his techniques, which include logic trees and matrixes. A rock band figures out how to drive up concert attendance. An aspiring animator budgets for a new computer purchase. Students decide which high school they will attend. Illustrated with diagrams and quirky drawings, the book is simple enough for a middleschooler to understand but sophisticated enough for business leaders to apply to their most challenging problems.

Film and TV director Carly Usdin (Suicide Kale, RuPaul's Drag Race) teams up with breakout artist Nina Vakueva for a new series that's music to our ears! New Jersey, 1998. Chris has just started the teen dream job: working at Vinyl Mayhem, the local record store. She's prepared to deal with anything—misogynistic metalheads, grunge wannabes, even a crush on her wicked cute co-worker, Maggie. But when Rory Gory, the staff's favorite singer, mysteriously vanishes the night before her band's show in town, Chris finds out her co-workers are doing more than just sorting vinyl...her local indie record store is also a front for a teen girl vigilante fight club!

Rena Sakura is a high school student with a secret: she's a professional mangaka. And although she's never been on a date, that doesn't stop her from drawing steamy shojo scenes for Chami magazine. But when the gorgeous Tomoya Okita finds out her secret, she finds herself asking him out to get some real-life experience in love! Rena asks Tomoya to be her boyfriend, hoping that gaining some experience in dating will help her improve her manga. Rena is positive that Tomoya is only dating her to help her out, but that doesn't stop her from falling in love...

New York Times Bestseller Corinne Michaels brings a fun, sweet holiday short story. All I want for Christmas... is to pretend the holidays do not exist. That should be my tagline for life. Another year with no one to kiss under the mistletoe. Of course, it doesn ' t help that after my last epic breakup, I hopped into the sack with the one man I should ' ve avoided. My arch-rival, Dean Pritchard. Despite the fact that he didn't bother calling after our night together, I can't get him out of my head. I am so on the naughty list. But when a snowstorm traps us in an elevator, I can't avoid my work crush any longer. Will Dean be the lift I ' ve needed for the holidays, or will Santa skip me yet again?

Mindful thinking is the new competitive edge Science confirms the distinction between the biological brain and the conscious mind. Each day, a game of mind versus matter plays out on a field defined by the problems we must solve. Most are routine, and don ' t demand a more mindful approach. It ' s when we ' re faced with more difficult challenges that our thinking becomes vulnerable to brain patterns that can lead us astray. We leap to solutions that simply don ' t work. We fixate on old mindsets that keep us stuck in neutral. We overthink problems and make them worse. We kill the ideas of others, as well as our own. Worse, we keep doing these things, over and over again, naturally and instinctively. But it doesn ' t have to be that way. In Winning the Brain Game, author and creative strategist Matthew E. May explains these and other " fatal flaws " of thinking, catalogued over the course of ten years and hundreds of interactive creative sessions in which he gave more than 100,000 professionals a thought challenge based on a real case far less complex than their everyday problems. Not only did less than 5% arrive at the best and most elegant solution, but the solutions given were remarkably similar, revealing seven observable problem-solving patterns that can block our best thinking. Calling on modern neuroscience and psychology to help explain the seven fatal flaws, May draws insights from some of the world ' s most innovative thinkers. He then blends in a super-curated, field-tested set of " fixes " proven through hundreds of creative sessions to raise our thinking game to a more mindful level. Regardless of playing field, mindful thinking is the new competitive advantage, and the seven fixes are a magic set of tools for achieving it. Winning the Brain Game will lead you to better decision-making, higher levels of creativity, clearer strategies, and overall success in business, work and life. Matthew E. May is a five-time author and recognized thought leader on strategy and innovation. A popular speaker, facilitator, and seminar leader, he confidentially coaches executives, artists, and athletes, and conducts custom thinking sessions for leading organizations all over the world.

Ghastly beheadings, bloody murders, and coldhearted child abductions-- Precocious high school student Jimmy Kudo uses his keen powers of observation and astute intuition to solve mysteries that have left law enforcement officials baffled. Hot on the trail of a suspect, Jimmy is accosted from behind and fed a strange chemical which physically transforms him into a grade schooler! Taking on the pseudonym Conan Edogawa, he attempts to track down the people who did this to him. But until he finds a cure for his bizarre condition, Jimmy continues to help the police solve their toughest cases. Can you crack the case before Conan does? -- VIZ Media

1) Lose my virginity
2) Apologize to Rachel
3) Get back at Biff
4) Jam and party with Shakes the Clown
5) Laugh in death ' s face
6) Go to Africa
7) Rob a bank
8) Tell Mark to screw himself
9) Find out why Grandpa and Dad don't talk
10) Tell the truth

A high school boy named Jimmy Kudo changes his identity to Detective Conan after being shrunken to the size of a seven-year-old in a criminal attack, and starts helping police investigate a number of other crimes.

The bestselling authors of the groundbreaking Artisan Bread in Five Minutes a Day bring you a cookbook with 90 delicious, entirely gluten-free bread recipes made from easy-to-find ingredients--a perfect gift for health conscious foodies and bakers! With more than half a million copies of their books in print, Jeff Hertzberg, MD and Zoë François have proven that people want to bake their own bread, so long as they can do it quickly and easily. But what about people with celiac disease or gluten sensitivity? They want to eat well too, but gluten is everywhere: in cakes, pastas, desserts, gravy—even in beer and Scotch whiskey. But the thing they miss most? Bread. Based on overwhelming requests from their readers, Jeff Hertzberg and Zoë François have returned to their test kitchens to create an entirely gluten-free bread cookbook—most of the recipes that readers loved in Artisan Bread in Five Minutes a Day appear here in a gluten-free version. In just five minutes a day of active preparation time, you can create delectable, gluten-free Sandwich loaves. European Peasant Bread, 100% Whole Grain Loaves, French Baguettes, Crock Pot Bread, Caraway "Rye" Bread, Challah, and even fabulous dessert breads like Brioche, Doughnuts, and Sticky Pecan Caramel Rolls. Gluten-Free Artisan Bread in Five Minutes a Day extends their revolutionary stored-dough method to yeasted and unleavened breads made without wheat, barley, or rye. With 90 recipes—plus 100 black-and-white instructional photos and 40 gorgeous color images—the authors adopt the rich palette of world breads to their unique method. With this revolutionary approach, you CAN have mouthwatering gluten-free artisan bread in just five minutes a day!
