Hercules IXB - Reliance Power

In Feb. 1950, the 3-1/4 in.
bore Hercules IXB-3 was
introduced, coinciding with
the dropping of the name
'Cletrac' from the HG's
decals. This engine was
equipped with a water pump
for greater cooling
capacity. Important note: IX-
series engines before serial
number 1285103 were equipped
with babbited bearings. They
are expensive to renew and
cannot be replaced with
modern insert bearings.

Hercules Engine For Sale - Farm Equipment For Sale

Yes, there was an IX5, and
later an IXB-5. Used in
marine, military, industrial
wheel loaders, power units,
gensets, etc. The main
difference that I've noticed
between the IXB3 and IXB5 is
the IXB5 seems to be a sort
of "fits all" engine.

Hercules IXB5 Motor - Yesterday's Tractors

A 70 HP diesel engine was developed by White and private labeled and marketed by Ford Motor Company for repower, to diesel capabilities, Ford's E-350 step-vans. In 1987, Donald C. Stewart acquired White Engines, Inc., and reinstated the proud name of Hercules Engines, Inc. The new Hercules continues its commitment to the military as well as to
