However, within a year of use, keeping the fridge space and all surfaces in the fridge space clean and free of spills, there is an unpleasant odour. The smell hangs in the air in my kitchen.

Satan Burger explores a new kind of apocalypse. Not an apocalypse caused by disease or nuclear war, but an apocalypse of boredom. A plague of monotony has spread across the countryside, sucking all passion and out of everyone over the age of twenty-five, leaving only the disenfranchised youth to fend for themselves in a world crumbling around them. Featuring a narrator who sees his body from a third-person perspective, a man whose flesh is dead but his body are alive and amok, an overweight messiah, the personal life of the Grim Reaper, a race of women who feed on male orgasms, and a group of squatter punks that team up with the devil to find their place in a world that doesn't want them anymore.

The incredible true story of Tiger Woods's dramatic comeback following his humbling and very public personal, physical, and professional setbacks. One publicly imploded marriage. Two car accidents. Eight surgeries. And now, a miracle of hard work and storied talent: five Masters wins. Once hailed as "the

greatest closer in history” before he fell further than any beloved athlete in America’s memory, Tiger swung at the world’s wildest expectations and beat the skeptics with his April 2019 Masters championship. *Roaring Back* traces his road to Augusta and the improbable, phenomenal comeback of one of the greatest golfers in history. New York Times–bestselling author Curt Sampson details the highs and lows of Woods’s career in three gripping acts. From his startling loss at the 2009 PGA Championship, detrimental obsession with his swing, and that infamous night involving an ex-wife and a nine-iron...to adoring fans and lucrative sponsors turning their backs, exclusive interviews with past instructors and PGA tour peers, and an arrest complete with a toxicology report . . . finally to Tiger coming from behind for his fifth green jacket as the crowd rumbled in Georgia, and how his comeback rivals those of the most dramatic in his sport. Sampson also places Woods’s defeats and triumphs in the context of historic comebacks by other notable golfers like Ben Hogan, Skip Alexander, Aaron Siltan, and Charlie Beljan, finding the forty-three-year-old alone on the green for his trajectory of victory against all odds. As this enthralling book reveals, Tiger never doubted the perseverance of the winner in the mirror. “Sampson admirably details all the highs and lows.”
