After joining a network marketing company Curry went to his first Network Marketing event in Akron Ohio in the fall of 2014.

Throughout the day he heard from multiple speakers and trainers who shared information about how to help other people with the services that company offered. The information was so closely

aligned with the structure taught by Jesus to the twelve disciples that he walked up to the main speaker and asked, "Jesus was the first network marketer wasn't He?" The speaker looked right at him and said "You figured it out". That one moment changed his life forever. This vision to help Network Marketers understand Christianity and Christians understand Network Marketing has taken over 6 years to get out of his head. We are finally excited to announce this book is available.

This guide shows how to set up a network printing architecture that supports all kinds of clients using Linux machines as print servers. It covers the standard Unix print servers on BSD and System V, LPRng, Samba printing services, and using LDAP as a configuration repository for printers.

Essentials of the Reid Technique teaches readers how to spot and interpret verbal and nonverbal behaviors of both deceptive and truthful people, and how to move toward obtaining solid confessions from guilty persons. The Reid Technique is built around basic psychological principles and presents interrogation as an easily understood nine-step process. Separated into two parts: What You Need to Know About Interrogation and Employing the Reid Nine Steps of Interrogation, this book will help readers understand the effective and proper way that a suspect should be interrogated and the safeguards that should be in place to ensure the integrity of the confession.

December 1959. Historical information concerning Brother Lee's travels and the content of his ministry in 1959 can be found in the general preface that appears at the beginning of volume 1 in this set. The contents of this volume are divided into four sections, as follows: 1. Personal notes consisting of two sets of outlines for gospel meetings held in Taipei and Kaohsiung, Taiwan, in September and November 1959. These notes are included in this volume under the title Witness Lee's Personal Notes. 2. Twenty-five messages given in Taipei, Taiwan, in the fall of 1959. These messages were previously published in a book entitled Lessons for New Believers and are included in this volume under the same title. 3. Five messages given in Taipei, Taiwan, in the first part of a training that began on October 5, 1959, and concluded on January 22, 1960. Chapters 1, 2, 4, and 5 were previously published in a

book entitled On Knowing the Bible. Chapter 3 was added based on notes taken by Brother K. H. Weigh and his wife, Lin Yi-tian. The messages that compose the first four chapters were given on October 6 through 9, 1959, and the fifth message was probably given shortly thereafter. The five messages are included in this volume under the same title as the previously published book. 4. Ten messages given in Taipei, Taiwan, in the second part of a training that began on October 5, 1959, and concluded on January 22, 1960. These messages were previously published in a book entitled Ten Lines in the Bible. Later, two appendices were added based on notes taken by Brother K. H. Weigh and his wife, Lin Yi-tian. The exact dates for the speaking of these messages are unknown, but they were given in the winter of 1959. The ten messages and the two appendices are included in this volume under
