This was a spin off of one of my absolute favorite series, The Love Series. It was only a spin-off in that Adam Trent, the main male character, is the brother of one of the characters from Love Unscripted and Unrehearsed. Otherwise, it's all fresh. :) This was a strong story. I am in love with the detail in Tina's characters.

Tina Reber and 1 other person liked Rebecca's review of Jacked (Trent Brothers, #1):

"Jacked is the perfect name for Adam Trent and Erin Novak's story - two people whose souls are broken and find themselves in jacked up situations due to their pasts and their inability to let go of incidences that were out of their control.
