~~Leadership Theory and Application~~  
In a nutshell, the Trait Leadership  
Theory is founded on the belief that  
all great leaders possess intrinsic  
traits that make them a great leader;  
in other words, a leader is born, not  
made. With this belief, the Trait  
Leadership Theory focuses on

~~LEADERSHIP: THEORY AND  
PRACTICE ( 7th EDITION )~~ Pages 1 ...

The skills approach suggests that skills, knowledge and abilities that are required for a leader to be effective can be learned and developed (Northouse 2013: 43). Many people have leadership potential, which can be enhanced by experiences and training to make them become more effective leaders (Northouse 2013).

## Skills approach—FutureLearn

Early leadership theories focused on what qualities distinguished between leaders and followers, while subsequent theories looked at other variables such as situational factors and skill levels. While many different leadership theories have emerged, most can be classified as one of eight
