alternate with language units which develop accuracy in grammar, vocabulary, functions and pronunciation. In addition, New Cambridge Advanced English now contains exam-style exercises designed specifically to prepare candidates for the Cambridge CAE exam. The approach to the exam is low-key, however, with guidance and notes on exam-style exercises given in the Teacher's Book only. When used in conjunction with CAE Practice Tests, New Cambridge Advanced English makes the ideal preparation for the exam, and is especially suitable for mixed classes of exam candidates and non-candidates.

New Cambridge Advanced English places a strong emphasis on vocabulary, collocation and idiom. It includes CAE exam-style exercises but is suitable both for exam and non-exam candidates. This is a third edition, differing from the second edition by only one minor change in a reading passage.

Use of English is for intermediate and upper-intermediate students of English who need further revision and practice of the major problem areas of English grammar. The emphasis is on grammar in action: the activities stimulate students into using the grammar they have learned for the purpose of communication.

Let's Talk Second Edition is a fully revised edition of Let's Talk, the successful three-level speaking and listening course that takes students from a high-beginning to a high-intermediate level.

A modular course for people who either work or plan to work in the tourism, hospitality and travel industries. The core language skills are developed through a range of work-related tasks. This second edition includes practice in writing emails and communication activities aimed specifically at busy professionals.
