A sexy novel about two seventeen-year-olds—one a victim of human trafficking; the other the son of the man who enslaved her—who fall in love and question everything they ever believed... THIS IS A STORY ABOUT SACRIFICE . . . DEATH . . . LOVE . . . FREEDOM. THIS IS A STORY ABOUT FOREVER. Seventeen-year-old Haven Antonelli has never known freedom. From the time she was a little girl, she and her mother have been slaves— victims of human trafficking orchestrated by a vast Mafia network. But when Haven attempts to escape and is caught, one man gives her a choice: go with him or die. Agreeing to leave with Dr. Vincent DeMarco, Haven arrives at his home and meets the doctor's defiant—yet intriguing—son Carmine. Though Carmine's privileged upbringing is a world away from hers, Haven senses the things they share. And soon her tenuous friendship with Carmine blossoms into an unexpected love. Carmine has breezed through life breaking every rule, scorning attachments— until he meets this strange, timid girl his father has brought home. Her innocence draws him in a way he cannot understand, and makes him feel in ways he never thought he'd experience. And when he learns the Mafia isn't through with her, he becomes bent on protecting her . . . no matter the cost.

qui entoure cet homme. Il a une façon d'exiger l'attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C'est à la fois inquiétant et attirant. C'est sombre et redoutable. C'est tout ce que j'ai toujours voulu, et pourtant la dernière chose dont j'ai besoin. Une obsession. Il ne lui faut pas longtemps pour m'attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j'ignore tout avant qu'il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m'empêchent de partir, même si je le supplie de me laisser m'en aller. Je l'aperçois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C'est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument tout. J'ai envie de le haïr. Parfois même, j'y parviens. Et pourtant, ça ne m'empêche pas de l'aimer.

Morgan Myers is tired. So damn tired. Most people either push her around or brush her off, and she's not putting up with it anymore. Determined to reclaim the life that had been stolen from her, she puts her trust in the last person she ever expected to: the notorious Scar. Morgan sees a side of him that few people seem to know--the man, not the myth. Lorenzo. And what she sees, she likes, a lot more than she thought she would. But fairy tales aren't real, as life likes to remind her. Some dragons, you just can't slay, no matter how hard you fight them. And when hers comes back around, breathing fire, she's forced to face some unimaginable horrors. But lucky for Morgan, there's a white knight in combat boots out there that isn't afraid of monsters. You see, it's impossible to be afraid of something you face every day in the mirror.

disguise, there to hide one panic attack at a time. Nobody can crack Gianna's facade . . . no one anyway, until he comes along. Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . . One winter night and their lives intertwine. She hates him--his stone-cold demeanor, his arrogance and too-perceptive eye--but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him. Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes. All along, she doesn't even know that she's his--his frustration, his fascination. His maddest obsession. \*Can be read as a standalone
