His 2004 novella Live Like You Were Dying was a finalist for the Southern Book Critics Circle Award...Look for Man in the Blue Moon to eclipse them all. (Florida Times Union) Morris (Slow Way Home) has crafted a magical and mesmerizing page-turner rooted in hardscrabble Florida during WWI, based in part on a true family story. Ella Wallace is scrambling to keep her three sons and herself from the poorhouse after her opium-addicted husband vanishes.

Man in the Blue Moon by Michael Morris (Tyndale House Books; 400 pages; \$13.99). Wars and plagues can get people thinking its the end of the world. Such a bleak outlook only worsens when American boys die on foreign soil, when families lose their homes to foreclosure, and when a dangerous flu ravages communities.

~~Man in the Blue Moon by Michael Morris - Goodreads~~

“ The magic of turn-of-the-century Old Florida, in all its pain and natural beauty, has found its voice with native son, Michael Morris. Told in a multitude of voices, all desperate, all determined, Man in the Blue Moon spins a delicate, unforgettable family drama of abandonment and grit and redemption from unlikely sources. Morris is a fifth-generation Floridian, and describes with a pitch-perfect ear a vanishing rural culture of timber-cuts and bank foreclosures, where hard-held faith was ...

In the character of Clive, Morris's writing is at times chilling in its portrayal of a malevolence made doubly horrifying by its easy believability and its complete lack of conscience. In an escalating battle that will leave three of the main characters dead, Michael Morris's *Man in the Blue Moon* delivers a beautifully depicted tale of the struggle between good and evil that lingers in the imagination long after closing the book.
