For most topics in this book, there is a set of puzzles for cooperative groups of 2 or 4 students. Each student does essentially the same exercises but with different numbers. The process is the same but the answers are different. Each student gets part of the punchline, so that all parts must be done for a complete solution.

This collection of short stories and prose chronicles events observed by the author during her lifetime in Northern New Mexico. Family, relatives, friends and strangers (real or imaginary) are caught off guard in everyday occurrences that evoke laughter, tears, or memories of the past. The names have, of course, been changed, and much embellishment has been added to stories which may or may not be true. Stories of innocence, family dynamics, relationships and injustice combine to bring a tongue in cheek narrative to the reader. The author adds: "My inner barrio is full of observations, whether from the neighborhood where I grew up in Santa Fe or from watching ordinary people interact with each other. I try to see the humor in whatever life throws at us and hope some of these stories will bring a chuckle or a hearty laugh to anyone willing to let their guard down as they read on." Born in Santa Fe, MARIE ROMERO CASH is an award-winning folk artist/santera who has been exhibiting her colorful works for over thirty years. She is also a writer, having authored several books on Northern New Mexican culture, shrines, saints and churches including: BUILT OF EARTH AND SONG: A GUIDEBOOK TO NORTHERN NEW MEXICO'S VILLAGE CHURCHES; LIVING SHRINES: DEVOTIONAL SPACES IN NORTHERN NEW MEXICO HOMES; SANTOS, A COLORING BOOK OF NEW MEXICO SAINTS (also from Sunstone Press); and her memoir about growing up in Santa Fe, TORTILLA CHRONICLES.

Your students will develop a greater understanding of the math concepts required for mastery of the new NCTM Standards. Easy-to-follow instructions, fun-to-solve puzzles and riddles, and many self-checking activities make these books a hit in any middle school math class.

Here are the hilarious tales of a sportsman's life in the great and often not-so great outdoors. McManus offers more cracker-barrel wisdom and zany insights into the agonies and ecstasies of hunting, fishing, and camping.
