A Memoir to Record Your Life Story | Kiplinger

Memoir essays were my gateway into reading full-length memoirs. It was not until I took a college class on creative nonfiction that I realized memoirs were not just autobiographies of people with exciting lives. Anyone with any amount of life experience can write a memoir—no dramatic childhood or odd-defying life accomplishments required.

8 powerful observations in Alex Trebek's memoir - CNN

A memoir typically covers one aspect of a writer's life (or a continuous theme through memories), while an autobiography is a chronological account of the writer's life. For example, Nadine's memoir touches on many parts of her life, but the core focus is to help addicts and those with several life struggles get back on their feet.

How to Write a Memoir: The Complete Guide to Getting Started

From Wikipedia, the free encyclopedia On Watch: A Memoir was nominated as a Language and literature good article, but it did not meet the good article criteria at the time (March 2, 2017). There are suggestions on the review page for improving the article. If you can improve it, please do; it may then be renominated.
