At age eight, Ramona Treviño climbed to the top of a roof and begged God to let her know he was real. After receiving a sign, she made a pact with herself to follow him always. But family difficulties and growing pains made it hard for her to continue on that path. Pregnant at 16, she dropped out of high school and entered an abusive marriage, which ended in divorce. Wanting to make a difference and to help girls in similar tough situations, she accepted a job as the manager of a Planned Parenthood facility in Sherman, Texas. Over time, however, Ramona began to grapple with whether she was doing women more harm than good, setting her on a path to seek the truth, no matter where it might lead. Realizing she could no longer refer women for abortions or provide them with false assurances of risk-free sex, Ramona took a leap of faith and left the financial security of her job. Her ultimate conversion involved a full return to the Catholic faith of her childhood and a new role as a pro-life advocate and speaker. This compelling story tells of Ramona's struggle to reconcile her identity as a daughter of God with a world that sends conflicting messages concerning the source of our dignity and happiness. It is the honest and heartfelt account of a woman who, with the help of grace, strove to overcome the wounds of her own past while becoming an agent of healing for others.

Ulysses, a guardian angel, a protector from the realm of heaven, has been given his assignment to protect a young girl named Marjorie Ruthmeir. Limited to the boundaries between the spirit realm and the world, Ulysses must figure out how to protect his watch in a world full of evil, treachery, and deceit. Marjorie Ruthmeir has deep dark secrets. Sold into the sexual trafficking trade when she was fourteen years old, all she had ever dreamed of was for someone to love her and keep her safe. Determined to keep her past a secret, she escapes, changes her name to Margo, and takes a bus to Wichita, Kansas, to start a new life and hopefully to find her long-lost brother. Struggling to find love and safety in a world that has only caused her pain, will Margo's tainted past destroy any hope she has for finding love and safety? The Wichita Watcher is a captivating mystery demonstrating the struggles and triumphs of life while God's grace draws us near to himself.

"Haunting, wild, and quiet at once. A shimmering look at motherhood, in all its gothic pain and glory. I could not stop reading." —Lisa Taddeo, #1 New York Times bestselling author of *Three Women* A stressed family, an unplanned pregnancy, and a painful, if liberating, awakening from the author of the lauded memoir *Her* Christa Parravani was forty years old, in a troubled marriage, and in bad financial straits when she learned she was pregnant with her third child. She and her family were living in Morgantown, West Virginia, where she had taken a professorial position at the local university. Haunted by a childhood steeped in poverty and violence and by young adult years rocked by the tragic death of her identical twin sister, Christa hoped her professor's salary and health care might set her and her young family on a safe and steady path. Instead, one year after the birth of her second child, Christa found herself pregnant again. Six weeks into the pregnancy, she requested an abortion. And in the weeks, then months, that followed, nurses obfuscated and doctors refused outright or feared being found out to the point of, ultimately, becoming unavailable to provide Christa with reproductive choice. By the time Christa understood that she would need to leave West Virginia to obtain a safe, legal abortion, she'd run out of time. She had failed to imagine that she might not have access to reproductive choice in the United States, until it was too late for her, her pregnancy too far along. So she gave birth to a beautiful baby boy named Keats. And another frightening education began: available healthcare was dangerously inadequate to her newborn son's needs; indeed, environmental degradations and poor healthcare endangered Christa's older children as well. *Loved and Wanted* is the passionate story of a woman's love

For anyone involved in, or thinking about, adopting a child from abroad, The International Adoption Handbook is an essential guide. The process of international adoption can sometimes seem complex, frustrating, and endless. This step-by-step guide, which provides the necessary hard facts and information — as well as support through the experiences of the author and others — will help smooth the way. After a general discussion of who may adopt and what restrictions may apply, the book goes into the nitty-gritty of what the process entails: choosing where to adopt and how to go about it; using an agency or facilitator; initiating the home study; assembling a dossier; working with the U.S. Immigration and Naturalization Service; knowing the topes of expenses that can be anticipated; and many other issues. In addition, the book provides up-to-date information on resources, including what is available today on the Internet, information that was previously difficult for adoptive parents to find out on their own. Equally informative are the author's interviews of a number of adoptive families whose stories are interspersed throughout the book. By sharing their experiences, they help to make the process work for others.

Surgeon Sam Gregory is the last person midwife Molly Hammond expects to see at Audley hospital. She'd once carried a child for him and his wife—it had led to a special, and unspoken, bond between Molly and Sam. Now a single father, Sam feels his son, Jack, should know his "tummy mummy." Sam and Molly's bond grows ever stronger and their sizzling attraction begins to emerge. But Molly fears a relationship—if it all went wrong, she might lose them both. And how can she tell Sam that, despite being a mother, she's never made love to a man in her life?

For ages 15 and up, a new psychological suspense... "Unforgettable." --Sharon Sala, New York Times Bestselling Author She hid the secret from everyone, including herself.
