Power Play Resistance 1 Rachel Haimowitz
Such an interesting read in many ways. I've read quite a few TPE books, but what makes this one unique for me is that Bran really had no concept of what he was getting into ahead of time AND really had NO DESIRE to be in a TPE relationship.

Fantasy Unbound with Rachel Haimowitz
Resistance: Fall of Man is a 2006 science-fiction first-person shooter video game for the PlayStation 3. It was developed by Insomniac Games and published by Sony Computer Entertainment . The game is set in an alternate history 1951, and follows Sergeant Nathan Hale as he and the human resistance forces attempt to drive a mysterious alien-like invasion out of the United Kingdom .

Brandon has come to accept being gay, but he can't deny the shame and confusion he feels at other urgesThe deeply repressed desire to submit. When a sizzling back-alley encounter cues Jonathan in to Brandon's deep-seated submissive side, he makes the man an offer: Give me six months of your life, and I'll open your eyes to a whole new world.

Sublime service, made to order. The Flesh Cartel: An international, multi-billion-dollar black market that trades in lost souls. Or more specifically, their bodies. Highly organized and frighteningly efficient, the Flesh Cartel could teach even the KGB a thing or two about breaking a human mind. Fortunately for their ultra-rich clients, they're just as skilled at putting people back together again - as perfect pets, well-trained and eager to please. No matter what your secret tastes or dark desires, the Flesh Cartel - for the right price, of course - will hand-design the plaything of your dreams. READER DISCRETION ADVISED.

It is the twilight of mankind. Depleted by generations of war with a race of dark beasts, humanity stands on the brink of extinction. The outlands are soaked with the blood of the fallen. The midlands are rotting with decadence and despair. Elfkind, estranged by past crimes, watches and waits for nature to run its course. And then the two collide. Ayden's life has long been guided by two emotions: love for his sister, and hatred of all things human. When he's captured in battle, he is enslaved in the service of a human prince, Freyrik Farr. Freyrik's always known elves to be beautiful and dangerous, but never has one affected him as deeply as Ayden. Teetering on a dagger's edge between duty and high treason, Freyrik discovers that some choices can change a life, and some an entire world. Between prejudice, politics, pride, and survival, Ayden and Freyrik must carve a new path, no matter how daunting. For nothing less than the fate of both their peoples rests on the power of their perseverance - and their love.

Brandon McKinney is a man reborn. Newly awakened to the notion of consensual power exchange and the submissive urges inside him, he begs for a second chance from the man who opened his eyes to this world: Silicon Valley superstar Jonathan Watkins. But no birth is absent pain, and Brandon's is no exception. He fears he's not strong enough to see it through. Jonathan knows better. He's seen the iron core inside his new submissive, and the wounded heart inside him too. He means to teach Brandon to heal the one with the other. They have five months left on their contract, after all, and Jonathan has done more with less before. It's tough to stay objective, though, when you're falling in love. Shame Brandon doesn't feel the same. He's only there for the three-million-dollar payout at contract's end--a fact that Jonathan, nursing his own wounded heart, reminds himself of each day. For even as Brandon's barriers break and his mind expands, even as he grows to love his place at Jonathan's feet, he'll never love life with a sadist--especially one who cannot escape the public eye. "This title is #2 of the Power Play series." "Reader discretion advised. This title contains the following sensitive themes: heavy kink."

Nikolai Petrovic is a man of refinement. He collects fine art, enjoys gourmet cuisine, and trains boutique sex slaves for some of the wealthiest - and most morally dubious - men and women in the world. Charged by a wealthy client to buy a man to train but not break - to shape into a skilled, obedient slave who will yield with hatred rather than love in his eyes - Nikolai finds the perfect raw material in Mathias Carmichael. But there's a problem: he was auctioned off in a lot with his beautiful younger brother. Douglas Carmichael is a lovely, trainable thing, but Nikolai never takes on more than one slave at a time. As a master trainer who's never once failed in his task, he knows he's up to the challenge, but it will take formidable skill and planning to mold these drastically different brothers into their best selves. And in order to make them obedient to Nikolai and their future masters above all others, he'll first have to break their greatest loyalty of all: their dedication to each other. READER DISCRETION ADVISED.

Bridging the hatred of centuries did not come easy for Freyrik Farr and Ayden Vaska. As prince of a war-torn human province, Freyrik could ill afford to fall for an enemy. And Ayden, an elven warrior with three hundred years of bitterness in his heart, wanted no part of love. Yet they came together despite themselves and the wills of their peoples, joining hearts and minds to fight a race of Dark Beasts threatening the extinction of mankind. Yet the Dark Beast threat pales beside the dangers of a summons to the human High Court, home of the Aegis Exalted and the harshest test yet of Ayden's and Freyrik's fledgling love. When the Aegis strips Ayden of his magic, Freyrik is forced to choose between his love for elf, Aegis, and king, all the while seeking the one uncertain path that might save his doomed race. Time is fast running out for mankind, and only by making peace amongst themselves and with their ancient elven enemies can they end the Dark war - and undo the tragedy that's plagued humans, elves, and Dark Beasts alike for the last three hundred years.

Jess Brightwell believes in the value of the Library, but the majority of his knowledge comes from illegal books obtained by his family, who are involved in the thriving black market. Jess has been sent to be his family's spy, but his loyalties are tested in the final months of his training to enter the Library's service.

Early on a gray November morning in 1941, a small Ukrainian town is overrun by the SS. Penned in with his fellow Jews, a father anxiously awaits word of his two sons, while a young woman, come to fetch her sweetheart away from the invaders, must confront new and harsh truths about those closest to her. At the same time, a German engineer, here to avoid a war he considers criminal, is faced with an even greater crime unfolding behind the lines and no one but himself to turn to. And in the midst of it all, a boy determined to survive must throw in his lot with strangers. As their stories weave together, each of these characters comes to know the compromises demanded by survival, the oppressive power of fear, and the possibility of courage in the face of terror.

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Discusses the reckless annihilation of fish and birds by the use of pesticides and warns of the possible genetic effects on humans.
