Accelerated Reader Bookfinder US - Book Detail

Pride and Prejudice-Austen's own 'darling child'-tells the story of fiercely independent Elizabeth Bennet, one of five sisters who must marry rich, as she confounds the arrogant, wealthy Mr. Darcy. What ensues is one of the most delightful and engrossingly readable courtships known to literature, written by a precocious Austen when she was just twenty-one years old.

Elizabeth Bennet finds her neighbour Fitzwilliam Darcy arrogant and conceited. The fact that he has meddled in the romantic relationship between her sister Jane and local aristocrat Charles Bingley makes him still more detestable. Darcy however is charmed by Elizabeth's wit and beauty, and has set his sight on her hand in marriage.

Pride and Prejudice Jane Austen (1775 - 1817) Jane Austen's classic novel chronicles the events in the lives of the Bennet family. Take a family with five unmarried daughters and a lack of wealth, throw in a new wealthy neighbor or two, plus a whole regiment of soldiers in town, and add a heaping spoonful of pride and a pinch of prejudice. Mix it all together and you get a story full of tears and laughter, embarrassment and pride, and, of course, love. Pride and Prejudice retains a fascination for modern readers, continuing near the top of lists of "most loved books." It has become one of the most popular novels in English literature, selling over 20 million copies, and receives considerable attention from literary scholars. Modern interest in the book has resulted in a number of dramatic adaptations and an abundance of novels and stories imitating Austen's memorable characters or themes.

---

---

Presents books for young readers that focus on positive themes like leadership, courage, nobility, and virtue, and includes descriptions and bibliographic information for each book listed.

From the much-buzzed-about author of THE LONELY HEARTS CLUB (already blurbed by Stephenie Meyer, Lauren Myracle, and Jen Calonita), a prom-season delight of Jane Austen proportions.It is a truth universally acknowledged, that a single girl of high standing at Longbourn Academy must be in want of a prom date. After winter break, the girls at the very prestigious Longbourn Academy become obsessed with the prom. Lizzie Bennet, who attends Longbourn on a scholarship, isn't interested in designer dresses and expensive shoes, but her best friend, Jane, might be - especially now that Charles Bingley is back from a semester in London. Lizzie is happy about her friend's burgeoning romance but less than impressed by Charles's friend, Will Darcy, who's snobby and pretentious. Darcy doesn't seem to like Lizzie either, but she assumes it's because her family doesn't have money. Clearly, Will Darcy is a pompous jerk - so why does Lizzie find herself drawn to him anyway?

---

Unless experienced and well-read English teachers can develop coherent and increasingly demanding literature curricula in their schools, average high school students will remain at about the fifth or sixth grade reading level--where they now are to judge from several independent sources. This book seeks to challenge education policy makers, test developers, and educators who discourage the assignment of appropriately difficult works to high school students and make construction of a coherent literature curriculum impossible.

---

The amount of fan-generated content about Jane Austen and her novels has long surpassed the author's original canon. Adaptations like Clueless, Pride and Prejudice and Zombies, Jane Austen's Fight Club, and The Lizzie Bennet Diaries have given Austen fans priceless opportunities to enjoy the classic texts anew, and continue to bring new and younger fans into the fold. Now, through online culture, the amount and type of fan-created works has exponentially multiplied in recent years. Fans write stories, create art, make videos, and craft memes, all in homage to one of the most celebrated authors of all time. This book explores online fan spaces in search of "Janeites" all over the world to discover what fans are making, how fans are sharing their work, and why it matters that so many women and nonbinary individuals find a haven not only in Jane Austen, but also in Jane Austen fandom. In relatable chapters based on firsthand experience, the authors explore how Austen fandom has and continues to build communities around women, people of color, and the LGBTQ+ community. Whether Janeites are shrewdly picking up on the latent sexual tension between women in Emma or casting people of color in leading roles, Luetkenhaus and Weinstein argue that Austen fans are particularly adept at marrying fantasy and feminism.

---

---

This title Pride and Prejudice is an all-time favorite classic. Since its immediate success in 1813, Pride and Prejudice has remained one of the most popular novels in the English language. Jane Austen called this brilliant work "her own darling child" and its vivacious heroine, Elizabeth Bennet, "as delightful a creature as ever appeared in print." The romantic clash between the opinionated Elizabeth and her proud beau, Mr. Darcy, is a splendid performance of civilized sparring. And Jane Austen's radiant wit sparkles as her characters dance a delicate quadrille of flirtation and intrigue, making this book the most superb comedy of manners of Regency England. A must-have romance novel for all classic book readers by Jane Austen.

---

---

When Darcy finds Elizabeth touring the park around Pemberley, he assumes he is in the grips of his dreams and acts accordingly. He is incredibly surprised to discover that the woman he has taken in his arms is not only very real, but also kissing him back. This lighthearted variation explores how things might have progressed differently had Mr. Darcy left Elizabeth Bennet with no doubt concerning his continued affection upon finding her touring his beloved Pemberley.

---

TORY PRIDE AND PREJUDICE is an authoritative but highly accessible account of the Conservative Party's social attitudes from the 1950s to the present day, with a particular focus on homosexual law reform and equal rights for LGBT citizens. Presented in the context of contemporary social and political developments, it draws upon extensive primary research and exclusive interviews to chart the party's progress from a stubborn unwillingness to decriminalise homosexuality in the 1950s and 1960s, via tacit acceptance in the 1970s and Section 28 in the 1980s and 1990s, to the current Conservative-Liberal Democrat Coalition Government, which has produced the first comprehensive statement on equal rights in British history.
