Capital Gains Tax: Report and pay Capital Gains Tax - GOV.UK

Basic-rate taxpayers pay 18% on gains they make when selling property, while higher and additional-rate taxpayers pay 28%. With other assets, the basic-rate of CGT is 10%, and the higher-rate is 20%. Bear in mind that any capital gains will be included when working out your tax status for the year, and may push you into a higher bracket.

Capital gains tax on property - Which?

First, deduct the Capital Gains tax-free allowance from your taxable gain. For the 2020 to 2021 tax year the allowance is £12,300, which leaves £300 to pay tax on. Add this to your taxable income...

Capital Gains Tax: Capital Gains Tax rates - GOV.UK

A basic rate taxpayer in the UK facing a capital gains tax bill will be paying 18% of the profits or gains made when the property is sold. For higher or additional rate taxpayers, their tax rate is 28%. For other assets, your CGT basic rate is 10%, while the higher rate is 20%. One of the downsides for calculating your capital gains bill is when you determine your tax status for the current financial year because any gains you declare may then be pushed into a higher tax bracket.
