Discusses all aspects of digital music, including navigating Internet radio, determining the best audio file format, creating playlists, and sharing music through social media outlets.

Open-source development has been around for decades, with software developers co-creating tools and information systems for widespread use. With the development of open-source software such as learning objects, interactive articles, and educational games, the open-source values and practices have slowly been adopted by those in education sectors. Open-Source Technologies for Maximizing the Creation, Deployment, and Use of Digital Resources and Information highlights the global importance of open-source technologies in higher and general education. Written for those working in education and professional training, this collection of research explores a variety of issues related to open-source in education, such as its practical underpinnings, requisite cultural competence in global open-source, strategies for employing open-source in online learning and research, the design of an open-source networking laboratory, and other endeavors. It aims to enhance workplace practices in harnessing open-source resources in a time of budgetary frugality.

In its 114th year, Billboard remains the world's premier weekly music

publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Maximum PC is the magazine that every computer fanatic, PC gamer or content creator must read. Each and every issue is packed with punishing product reviews, insightful and innovative how-to stories and the illuminating technical articles that enthusiasts crave.

Runner's World magazine aims to help runners achieve their personal health, fitness, and performance goals, and to inspire them with vivid, memorable storytelling.

Anyone can sing. Join Hook, Line and Singer for a grand old sing-a-long and rediscover the lost art of one of life's greatest pleasures. There's a song for every occasion and for all ages, whether you're at a dinner party, round the piano, going on a summer holiday or a long car trip, entertaining your great auntie, or celebrating Christmas and New Year. Including old favourites we all grew up with, lullabies, nursery rhymes, centuries-old folk ballads and vintage tunes from the US and around the world, this book is designed to keep handy for those moments when only a song will do. It's easy to use and easy to sing from, with lyrics presented clearly, simple musical arrangements and the stories behind the songs - perfect for children, ukulele enthusiasts, budding musicians, parents, grandparents, teachers and, in fact, anyone who just wants to make a good noise.

Runner's World magazine aims to help runners achieve their personal health, fitness, and performance goals, and to inspire them with vivid, memorable storytelling.
