Sleepless by Charlie Huston: 9780345601144
Charlie Huston is quickly proving to be a capable jack of all trades when it comes to genre writing. As an incredible prose-stylist, he has created some of this decade ' s most memorable fiction, yet he is criminally underrated. His sentences are terse, but full of information that builds the world his characters inhabit.

Sleepless: A Novel — Kindle edition by Huston, Charlie
Sleepless is a science fiction and noir detective novel by Charlie Huston, published in 2010. Set in California in a dystopic alternate present, the novel portrays a world wracked by a sleeplessness pandemic caused by a prion. About ten percent of the population are infected, and, unable to find sleep, die painfully within a year.

Charlie Huston is an American author best known for the writing of horror, crime fiction, and superhero comic books. The author likes to refer to himself as a pulp fiction rather than noir writer. He is best known for the Joe Pitt Casebooks, the Hank Thompson trilogy, several marvel comics and a series of popular single standing novels.

Charlie Huston — Book Series in Order
In Sleepless, he fuses the best of the pulp tradition in three different aspects: crime, horror, and science fiction. At the end of the day, Charlie Huston is a quiet revolution in contemporary American fiction. You doubt? Read one of his books and see. I dare you.

Sleepless: Charlie Huston: Hardcover: 9780345601134
I love Charlie Huston's Hank Thompson trilogy (Caught Stealing, etc)- he does full-energy noir better than any modern author since James Crumley. This is a very different book and also wonderful. The narrators did an excellent job of portraying the different first-person voices and the story itself is compelling and terrifying.

Sleepless by Charlie Huston | Audiobook | Audible.com
Right from the very beginning I knew that Sleepless (US, UK, Canada, Indiebound) was going to be something different – potentially something of excellence and almost certainly depressing as hell. Equally clear right from the start was skill that Charlie Huston was wielding with his writing – it ' s far superior to other books of his that I ' ve read (admitted I ' ve only read a couple of the Joe Pitt casebooks).
