Smiley's People is a spy novel by John le Carré, published in 1979. Featuring British master-spy George Smiley, it is the third and final novel of the "Karla Trilogy", following Tinker Tailor Soldier Spy and The Honourable Schoolboy. George Smiley is called out of retirement to investigate the death of one of his old agents: a former Soviet general, the head of an Estonian émigré organisation ...

[Smiley's People - Wikipedia](#)

Smiley's People is a thrilling confrontation between one of the most famous spies in all fiction and his Cold War rival, Karla. Like Tinker Tailor Soldier Spy and The Honourable Schoolboy , it is as tense and unforgettable as only le Carré's novels can be.

Esterhase also makes a cameo appearance in Le Carré's A Legacy of Spies.. Esterhase is an intelligence officer in The Circus, le Carre's fictionalized version of MI6.

Toby Esterhase - Wikipedia

George Smiley is one of John Le Carre's most interesting creations. There is so much depth to his character. His motivations and justifications emerge starkly and honestly. He is a man driven by the need to do the right thing; knowing that people are put at risk in the attempt. Such skilful narratives and clear characterisation are worthy of ...

Smiley's People Audiobook | John le Carré | Audible.co.uk

Karla is a recurring character in the works of John le Carré. A Soviet Intelligence officer, he is the head of Moscow Centre, le Carré's fictional version of the KGB, and the nemesis of le Carré's frequent protagonist George Smiley. Karla is nominally an unseen character who operates either through functionaries, hitmen, or by turning his enemies into double agents.

Karla (character) - Wikipedia

The concluding part of John le Carre's celebrated Karla Trilogy, Smiley's People sees the last confrontation between the indefatigable spymaster George Smiley and his great enemy, as their rivalry comes to a shattering end. A Soviet defector has been assassinated on English soil, and George Smiley is called back to the Circus to clear up - and cover up - the mess.

Smiley's People by John le Carré | Waterstones

This is the eighth of the recent BBC radio productions of all John Le Carre's stories featuring master spy George Smiley. Following the events of 'The Honourable Schoolboy', Smiley is now retired. But an old contact is brutally slain, and Smiley is asked by the powers that be to make sure there are no loose ends that could embarrass either the Circus or the British Government.

From the New York Times bestselling author of *Tinker, Tailor, Soldier, Spy*; *Our Kind of Traitor*; and *The Night Manager*, now a television series starring Tom Hiddleston. Tell Max that it concerns the Sandman... A very junior agent answers Vladimir's call, but it could have been the Chief of the Circus himself. No one at the British Secret Service considers the old spy to be anything except a senile has-been who can't give up the game—until he's shot in the face at point-blank range. Although George Smiley (code name: Max) is officially retired, he's summoned to identify the body now bearing Moscow Centre's bloody imprimatur. As he works to unearth his friend's fatal secrets, Smiley heads inexorably toward one final reckoning with Karla—his dark "grail." In *Smiley's People*, master storyteller and New York Times bestselling author of *The Spy Who Came in from the Cold* and *Our Kind of Traitor* John le Carré brings his acclaimed Karla Trilogy, to its unforgettable, spellbinding conclusion. With an introduction by the author.

A spy story that gives the final convulsive confrontation between George Smiley and his mortal enemy, Karla.

The concluding part of John le Carré's celebrated Karla Trilogy, *Smiley's People* sees the last confrontation between the indefatigable spymaster George Smiley and his great enemy, as their rivalry comes to a shattering end. A Soviet defector has been assassinated on English soil, and George Smiley is called back to the Circus to clear up - and cover up - the mess. But what he discovers sends him delving into the past, on a trail through Hamburg and Paris to Cold War Berlin - and a final showdown with his elusive nemesis, Karla. 'An enormously skilled and satisfying work' *Newsweek* 'We are all Smiley's people, a kind of secular god of intelligence' *New Yorker* THE SEVENTH GEORGE SMILEY NOVEL

From the New York Times bestselling author of *A Legacy of Spies*. The man he knew as "Control" is dead, and the young Turks who forced him out now run the Circus. But George Smiley isn't quite ready for retirement—especially when a pretty, would-be defector surfaces with a shocking accusation: a Soviet mole has penetrated the highest level of British Intelligence. Relying only on his wits and a small, loyal cadre, Smiley recognizes the hand of Karla—his Moscow Centre nemesis—and sets a trap to catch the traitor. The Oscar-nominated feature film adaptation of *Tinker Tailor Soldier Spy* is directed by Tomas Alfredson (*Let the Right One In*) and features Gary Oldman as Smiley, Academy Award winner Colin Firth (*The King's Speech*), and Tom Hardy (*Inception*). With an introduction by the author.

The seventh Smiley novel sees a phone call drag the acting chief of the Circus back to active service. But only to bury a case, not to solve it . . .

In the second part of John le Carré's Karla Trilogy, the battle of wits between spymaster George Smiley and his Russian adversary takes on an even more dangerous dimension. As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carré's renowned Karla trilogy and a riveting portrayal of postcolonial espionage. With an introduction by the author.

#1 NEW YORK TIMES BESTSELLER The undisputed master returns with his first Smiley novel in more than twenty-five years—a #1 New York Times bestseller and ideal holiday gift. Peter Guillam, staunch colleague and disciple of George Smiley of the British Secret Service, otherwise known as the Circus, is living out his old age on the family farmstead on the south coast of Brittany when a letter from his old Service summons him to London. The reason? His Cold War past has come back to claim him. Intelligence operations that were once the toast of secret London, and involved such characters as Alec Leamas, Jim Prideaux, George Smiley and Peter Guillam himself, are to be scrutinized by a generation with no memory of the Cold War and no patience with its justifications. Interweaving past with present so that each may tell its own intense story, John le Carré has spun a single plot as ingenious and thrilling as the two predecessors on which it looks back: *The Spy Who Came in from the Cold* and *Tinker Tailor Soldier Spy*. In a story resonating with tension, humor and moral ambivalence, le Carré and his narrator Peter Guillam present the reader with a legacy of unforgettable characters old and new.

The acclaimed novel featuring George Smiley, from the #1 New York Times bestselling author of *A Legacy of Spies* and *The Night Manager*, now an AMC miniseries The rules of the game, and of the world, have changed. Old enemies now yield to glasnost and perestroika. The killing shadows of the Cold War are flooded with light. The future is unfathomable. To train new spies for this uncertain future, one must show them the past. Enter the man called Ned,

the loyal and shrewd veteran of the Circus. With the inspiration of his inscrutable mentor George Smiley, Ned thrills all as he recounts forty exhilarating years of Cold War espionage across Europe and the Far East—an electrifying, clandestine tour of honorable old knights and notorious traitors, triumph and failure, passion and hate, suspicion, sudden death, and old secrets that haunt us still. Praise for *The Secret Pilgrim* “Intriguing . . . magisterial . . . The many ingredients are skillfully marshaled. . . . Lucidly and elegantly controlled.”—*The New York Times Book Review* “Scorching . . . fascinating . . . seductive . . . a dazzler.”—*Entertainment Weekly* “Powerful . . . a highly absorbing tale.”—*Newsday* “Extraordinary.”—*USA Today*

The first of his peerless novels of Cold War espionage and international intrigue, *Call for the Dead* is also the debut of John le Carré's masterful creation George Smiley. "Go back to Whitehall and look for more spies on your drawing boards." George Smiley is no one's idea of a spy—which is perhaps why he's such a natural. But Smiley apparently made a mistake. After a routine security interview, he concluded that the affable Samuel Fennan had nothing to hide. Why, then, did the man from the Foreign Office shoot himself in the head only hours later? Or did he? The heart-stopping tale of intrigue that launched both novelist and spy, *Call for the Dead* is an essential introduction to le Carré's chillingly amoral universe.
