Tells the story of seminal California punk band Black Flag, focusing on frontman Henry Rollins and indy record-label founder and band member Greg Ginn. Original.

Paul Fisher sees the world from behind glasses so thick he looks like a bug-eyed alien. But he ' s not so blind that he can ' t see there are some very unusual things about his family ' s new home in Tangerine County, Florida. Where else does a sinkhole swallow the local school, fire burn underground for years, and lightning strike at the same time every day? The chaos is compounded by constant harassment from his football–star brother, and adjusting to life in Tangerine isn ' t easy for Paul—until he joins the soccer team at his middle school. With

the help of his new teammates, Paul begins to discover what lies beneath the surface of his strange new hometown. And he also gains the courage to face up to some secrets his family has been keeping from him for far too long. In Tangerine, it seems, anything is possible.

In this fascinating and brutal photographic exploration, the legacy of American Punk Rock pioneers Black Flag is examined through stories, interviews and photographs of diehard fans who wear their iconic logo, The Bars, conspicuously tattooed upon their skin. Stewart Ebersole provides a personal narrative describing what made the existence of Punk Rock such an important facet in his and many other people's lives, as well as the role that Black Flag's actions and music played in sound tracking the ups-and-downs of living as self-imposed cultural outsiders.

When someone begins painting graffiti on walls throughout the town, Cameron Thompson, a detective's son, teams up with his best friend, Tarann, to figure out if a new kid, a school artist, or a scary guy is the culprit. Original.

A clever, quirky biography of a leading contemporary artist, for children Banksy is a world-famous graffiti artist who secretly spray paints pictures on streets and walls while no one is watching! His works are often about politics, war, and other important things, but he also likes to paint rats. Rats scurry around and hide, often creating a bit of a stir, just like he does! Millions of people know his work but no one really knows who Banksy is -- his true identity is a secret. Fausto Gilberti brings life, intrigue, and whimsy to the mysterious story of one of the most important contemporary artists of our time. Ages 4-7

Despite releasing records only on independent labels and receiving virtually no radio play, Dead Kennedys routinely top both critic and fan polls as the greatest punk band of the late 1970s and early 1980s. Their sound was inventive and tetchy, and front man Jello Biafra's lyrics were incisive and often scathing. This chronicle—the first in-depth book written about Dead Kennedys—uses dozens of firsthand interviews, photos, and original artwork to offer a new perspective on a group that was mired in controversy almost from its inception. It examines and applauds the band's key role in transforming punk rhetoric, both polemical and musical, into something genuinely threatening and enormously funny. Author Alex Ogg puts the local and global trajectory of punk into context and, while not flinching from the wildly differing takes the individual band members have on the evolution of the band, attempts to be celebratory—if not uncritical.

2013 George Saunders's most wryly hilarious and disturbing collection yet, Tenth of December illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recollects a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of Darkenfloxx™ in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.

After losing someone she loved, artist Candy Chang painted the side of an abandoned house in her New Orleans neighborhood with chalkboard paint and stenciled the sentence, "Before I die I want to _____." Within a day of the wall's completion, it was covered in colorful chalk dreams as neighbors stopped and reflected on their lives. Since then, more than four hundred Before I Die walls have been created by people all over the world. This beautiful

hardcover book is an inspiring celebration of these walls and the stories behind them. Filled with hope, fear, humor, and heartbreak, *Before I Die* presents an intimate portrait of the dreams within our communities and a chance to ponder life's ultimate question.

Sixteen-year-old Paige Williams can't stop self-sabotaging. Not when her dad gets sick, not when her relationship implodes, not even when her parents send her to another-freaking-state for the summer to live with her sister. Paige just wants to have fun, spray paint a few walls, and block out everything stressful, including her growing concern that she might be sick as well. To make things worse, her parents threaten her with boarding school in the fall if she can't prove she's changed her bad habits. Paige's parents sign her up for a rebuilding project in Texas where her sister lives. Meanwhile, Paige reluctantly befriends her sister's straight-laced teenage neighbor, Joey, who is a frequent guest. He's so different from her, but Paige realizes that may not be a bad thing, especially since being around Joey curbs her urge to vandalize and ignore the rules. He even makes her forget about the debilitating stomach cramps she struggles to hide. Just as Paige begins to feel settled in Texas, her dad's worsening Crohn's disease brings her home to Seattle. When her own health fails her, she has the choice of staying at home and receiving care. Or, she could go back to Texas and prove for once and for all that she's more than her mistakes and more than a disease. Torn between two worlds and two versions of herself, Paige must decide where, and with whom, she truly feels at home.

Five teenagers enrol in a play assassination game in a fictional city: Shell, a student, with a perky exterior hiding a vulnerable need to prove herself, falls for Mac when required to assassinate him; Mac a student drop out, resentful of his parents' divorce a year before the story starts, what he doesn't know is that his sister Han has joined the game to find him; Green, a computer geek, is overweight and has issues with self-esteem, like Shell he sees the game as a chance to prove himself as well as interact with people his own age; Zed is feisty and attractive and a metal head goth by night, by day a student nurse - Zed is a chameleon and pretty ruthless, the most competitive of all perhaps, but does she know who she really is? The buzz in this 'street war' is that you feel like a player in a real action movie with all of the adrenalin and the strategy and the pace, without the danger The game is organised online by the elusive 'gamekeeper' and all players meet him once, to collect the details of their first target on a laminated card ... Meanwhile their name is also down as a target, for whom, they don't know...all they know is that they have to be on their guard, always looking over their shoulder, ready to dodge their 'assailant'. These five teens have their own stories to tell, their own relationships unresolved, for some the game and the end result is more important than others. But what becomes clear, as the plot and the game unravels, is that the danger is more real than they thought, and that the Gamekeeper has a shady agenda of his own.
