For Introduction to Business courses. Focus on the practical skills and important developments in business The recent events in domestic and global economies are presenting unprecedented challenges, excitement, and disappointments for business—and a need for a change in Introduction to Business courses and texts. Business Essentials captures the widespread significance of these developments and presents their implications on businesses today. The Eleventh Edition includes new real-world examples and research findings, helping students to see how entrepreneurs are putting into practice the concepts that they are learning, and making this text the most current and relevant one available on the market today. Also Available with MyBizLab © This title is available with MyBizLab—an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. NOTE: You are purchasing a standalone product; MyBizLab does not come packaged with this content. If you would like to purchase both the physical text and MyBizLab search for: 0134473639 / 9780134473635 Business Essentials Plus MyBizLab with Pearson eText -- Access Card Package Package consists of: 0134271122 / 9780134129969 Business Essentials 0134150031 / 9780134150031 MyBizLab with Pearson eText -- Access Card -- for Business Essentials

For Introduction to Business Courses Business Essentials continues to provide a solid foundation of the essential topics that first-semester business students need to understand. Its focus on practical skills, knowledge of the basics, and important developments in business makes for a brief book, but a rich experience. The recent events in domestic and global economies are presenting unprecedented challenges, excitement, and disappointments for business—and a need for a change in the Introduction to Business course and text. This text captures the widespread significance of these developments and presents their implications on businesses today. MyBizLab for Business Essentials is a total learning package. MyBizLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams—resulting in better performance in the course—and provides educators a dynamic set of tools for gauging individual and class progress.

Now in its 6th edition, the best-selling text, CARDIOPULMONARY ANATOMY & PHYSIOLOGY, equips students with a rock-solid foundation in anatomy and physiology to help prepare them for careers as respiratory therapists. Extremely reader friendly, this proven, innovative text delivers the most complete and accurate information about the structure and function of the respiratory system in an approachable manner. Clear and concise, it presents complicated concepts in an easy-to-read, understandable format utilizing a full color design and strong pedagogy, so that students can readily apply what they learn when they graduate and start their professional careers. Newly integrated throughout the text, Clinical Connections provide direct links between chapter concepts and real-world applications in the clinical setting. New and redrawn full color illustrations provide the level of detail necessary to facilitate understanding of core concepts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The new, tenth edition of the Essentials of Business Law program is a practical, concise, and broad-based introduction to the vibrant field of business law. While continuing to offer all of the features that have made the nine prior editions successful, this new edition includes a new chapter on the areas of law affected by social media, updated content, and enhanced support materials. Both the traditional areas of law, such as contracts and property, and the emerging areas of law, such as e-commerce and environmental, are covered in short, informative chapters written to capture the essence of each topic. The objective of the text throughout its coverage is ease—ease of use, ease of teaching, ease of assessment, and ease of understanding. It has been developed for those seeking a more fundamental overview of the concepts and principles that are vital to the understanding of business law.

The Seventh Edition of this nursing-focused nutrition text has been updated to reflect the latest evidence-based practice and nutrition recommendations. Written in a user-friendly style, the text emphasizes what the nurse really needs to know in practice. Maintaining its nursing process focus and emphasis on patient teaching, this edition includes features to help readers integrate nutrition into nursing care such as sample Nursing Process tables, Case Studies in every chapter, and new Interactive Case Studies online. This is the tablet version which does not include access to the supplemental content mentioned in the text.
