~~The Geography of Money by Benjamin J. Cohen (2000, Trade --~~

Most fundamentally, [monetary geography] refers to the spatial organization of currency relations[how monetary domains are configured and governed. Whether we recognize it or not, we all carry around cognitive images of how currency spaces are organized; and these images, or mental maps, in turn shape the way we routinely think about the role of money in world affairs.

Developments in recent decades have led to money and finance assuming unprecedented influence over almost every aspect of economic and social life. Making the case for a geography of money, this multidisciplinary Handbook argues it is necessary to think spatially about the constitution and expressions of money and financial systems in the wake of the 2007/2008 Global Financial Crisis.

~~Handbook on the Geographies of Money and Finance~~

One of Ron Martin's research programmes over the past decade or so has been concerned with exploring this underdeveloped area, with constructing a new economic geography of money. This has a key underlying aim: to demonstrate that the spatial structure of the financial system is far from neutral in its effects, but rather influences the allocation of funds, capital and credit across regions and localities.

~~The Economic Geography of Money and Finance~~

In this book, Benjamin J. Cohen asks what this new geography of money reveals about financial and political power. Cohen shows how recent changes in the geography of money challenge state sovereignty. He examines the role of money and the scope of cross-border currency competition in today's world. ~~The Geography of Money : Benjamin J. Cohen - 9780801485128~~

The Geography of Bliss is a tough book to nail down. It defies categorization. I like to think of it as a philosophical humorous travel memoir. It is all of those things, and more. For years, as a foreign correspondent for National Public Radio, I covered a multitude of catastrophes, natural and man-made.

~~The Geography of Bliss | Eric Weiner~~

I am no philosopher, so here goes: Money matters, but less than we think and not in the way that we think. Family is important. So are friends. Envy is toxic. So is excessive thinking. Beaches are optional. Trust is not. Neither is gratitude.[] Eric Weiner, The Geography of Bliss: One Grump's Search for the Happiest Places in the World

~~The Geography of Bliss Quotes by Eric Weiner~~

The speciality of economic geography applies the spatial perspective of geography to economic activities. These professionals analyze and explain the factors affecting the location and movements of markets, goods, labor, capital investment, ideas, and their interaction.
