But I want you to know this morning that we worship a grave-robbing God! Jesus had given them a sign just weeks before, when he went over to the grave of his friend, Lazarus, and robbed it, emptied it, vacated it. "Lazarus, come out!" he had called out. And out of that grave Lazarus came, all the grave clothes still wrapped around his body.

Grave robbing | Faith and Leadership

The phrase "robbing the grave" has many negative meanings but given the context of the biblical narrative, the one that best relates is the notion of Jesus "cheating death" by not actually dying when he should have for he had risen. However, even to say that God cheated death would not be in line with scripture.

Do we believe that God still does miracles? Considering how difficult it is for many of us adults to trust in the miraculous power of God, how much more difficult can it be for a young person in the midst of struggles about identity and purpose in life? With the help of his son Parker, bestselling author Mark Batterson now brings the exciting message of a God who longs to do miracles in our lives to a teen audience. Together they show young readers that God is intimately involved in their lives and wants them to experience the miraculous. With poignant examples from the lives of real teens, The Grave Robber, Student Edition brings to life not only the seven miracles from John's Gospel but the countless miracles we witness every day--if only we have eyes to see.

Do we believe that God still does miracles? Do we expect him to move in miraculous ways in our day-in, day-out lives? Maybe we'd like to see miracles, but it's hard to see past our problems. All that is about to change, like water into wine. "There are miracles all around us all the time," says Mark Batterson, "but you won't see them if you don't know how to look for them." Now the bestselling author of The Circle Maker reveals the incredible power of the seven miraculous signs of Jesus found in the Gospel of John. Batterson shows how they were not simply something Jesus did in the past, but something he wants to do now, in the present. He shares true stories of people today who are experiencing miracles in their lives. And he brings to light countless miracles, big and small, that we take for granted every day that point us toward the One who healed the sick, calmed the storm, and yes, even raised the dead. But this is more than a book about miracles. It's a book about the only One who can perform them. Batterson cautions readers, "Don't just seek miracles. Seek Jesus. And if you seek Jesus, miracles will find you." Nothing has changed since Jesus called Lazarus out of his tomb four days after his funeral. Our impossible situations still double as God's greatest opportunity to reveal his glory. No matter how big the problem is, God is bigger still. Anyone who longs to see God work in miraculous ways today will love Batterson's faith-building, life-giving message.

When Jesus walked out of the tomb, the word impossible was removed from our vocabulary. Highlighting the greatest miracle Jesus ever performed, *One Little Yes Can Change Your Life* shows readers that the miracle of the resurrection is both a historical event and a reality for our lives today. According to Mark Batterson, "Easter isn't something we celebrate one day a year. It's something we celebrate every day in every way." But even the resurrection was missed by those who weren't looking for it. He encourages readers to train themselves to see Jesus's miracles as the outward signs of his inner power and glory. Perfect for bulk purchases for giveaways at churches--especially during Lent or Easter--*One Little Yes Can Change Your Life* allows readers to experience the wonder of the resurrection for the first time or like the first time. Batterson's enthusiastic writing imbues readers with a palpable excitement as they consider what the resurrection means for their own lives.

A true crime thriller -- the first book for teens to tell the nearly unknown tale of the brazen attempt to steal Abraham Lincoln's body! The action begins in October of 1875, as Secret Service agents raid the Fulton, Illinois, workshop of master counterfeiter Ben Boyd. Soon after Boyd is hauled off to prison, members of his counterfeiting ring gather in the back room of a smoky Chicago saloon to discuss how to spring their ringleader. Their plan: grab Lincoln's body from its Springfield tomb, stash it in the sand dunes near Lake Michigan, and demand, as a ransom, the release of Ben Boyd --and \$200,000 in cash. From here, the action alternates between the conspirators, the Secret Service agents on their trail, and the undercover agent moving back and forth between the two groups. Along the way readers get glimpses into the inner workings of counterfeiting, grave robbing, detective work, and the early days of the Secret Service. The plot moves toward a wild climax as robbers and lawmen converge at Lincoln's tomb on election night: November 7, 1876.

The word If is a powerful little word. Some people are stuck in if only, trudging through lives marked with regret. But God wants us to live lives marked with possibilities, with the what if attitude that looks forward to the future with confidence. Why? Because the answer to "If God is for us, who can be against us?" is "No one." God is always on our side, every day, in every way. Young people especially need to hear this life-changing message of hope and freedom from Mark Batterson and his son Parker. With his trademark enthusiasm and contagious joy, Batterson helps teens and young adults overcome those feelings of guilt, fear, and doubt that plague them and embrace the truth that in Christ there is no condemnation. Unpacking the promises of Romans 8, he shows young readers that they are more than conquerors--right now and forever. And because of that, the possibilities for their lives are limitless.

Perfect for churches and small groups, the dvd, participant's guide, and curriculum kit for Mark Batterson's new book will help readers delve deeper into the God who is bigger than any of our problems.

What is Jesus worth to you? It ' s easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, Jesus said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you?

God Loves the Freaks points to a serious issue facing the church today -- reaching out to subcultures and

those who are considered the freaks of society. The "American Christianity" cult that many churches belong to accepts only members who dress, speak and act exactly the same way. We have somehow turned the church into an elite club where only those who follow man-made cultural rules are welcome. Why is it acceptable for someone to show up in church in traditional Chinese clothing, for instance, but not for someone to have a pink mohawk? The church tries to change the freaks of society, or worse, turns them away at the door. Jesus reached out to those in society who were different, who were outcast -- the freaks. Stephen Weese paints a vision of a church living by grace, in unity; without the legalism that divides and causes us to shun others based on outward appearance. God looks at the heart and he loves everyone, including the freaks. If God loves the freaks, shouldn't the church as well?

The Gospel costs nothing. You can't earn it or buy it. It can only be received as a free gift compliments of God's grace. It doesn't cost anything, but it demands everything. It demands that we go "all in," a term that simply means placing all that you have into God's hands. Pushing it all in. And that's where we get stuck—spiritual no man's land. We're afraid that if we go all in that we might miss out on what this life has to offer. It's not true. The only thing you'll miss out on is everything God has to offer. And the good news is this: if you don't hold out on God, God won't hold out on you. Readers will find Batterson's writing filled with his customary vivid, contemporary illustrations as well as biblical characters like Shamgar and Elisha and Jonathan and . . . Judas. No one has ever sacrificed anything for God. If you always get back more than you gave up, have you sacrificed anything at all? The eternal reward always outweighs the temporal sacrifice. At the end of the day, our greatest regret will be whatever we didn't give back to God. What we didn't push back across the table to Him. Eternity will reveal that holding out is losing out. The message of All In is simple: if Jesus is not Lord of all then Jesus is not Lord at all. It's all or nothing. It's now or never. Kneeling at the foot of cross of Christ and surrendering to His Lordship is a radical act of dethroning yourself and enthroning Christ as King. It's also an act of disowning yourself. Nothing belongs to you. Not even you. Batterson writes, for many years, I thought I was following Jesus. I wasn't. I had invited Jesus to follow me. I call it inverted Christianity. And it's a subtle form of selfishness that masquerades as spirituality. That's when I sold out and bought in. When did we start believing that the gospel is an insurance plan? It's a daring plan. Jesus did not die just to keep us safe. He died to make us dangerous. "
