You will enjoy "The Lacey Confession" a lot more if you listen to its prequel, "The Knowland Retribution," first. Our author, Richard Greener, does a good job filling in the backstory, for those who haven't read his previous work; but he creates such complex, intricate plots and characters that a brief summary must leave out a lot of the richness.

The Lacey Confession Quotes by Richard Greener

Among those clamoring for the confession are the Kennedy family, renegade Russians seeking the Czar's gold, and a powerful man with connections to the CIA. Finding Harry is one thing, but hiding him from professional killers pushes Walter's aging skills to the limit. It's a wild chase across Europe, Mexico, and the Caribbean in Richard Greener's heart-stopping thriller that offers an unexpected twist on existing JFK conspiracy theories.

Fans of Randy Wayne White, James W. Hall, and Robert B. Parker will love this action-packed private eye adventure! On the eve of the 1958 Cuban Revolution, Miami private eye Cormac Loame reluctantly returns to Havana to retrieve the teenaged daughter of former prizefighter-turned-mob money launderer Cecil "Madman" Hacker. As he combs the city, he will run across notorious gangsters, jai-alai bums, famous authors, revolutionaries, movie stars, and a renewed love affair with the woman he left behind six years earlier. With Castro's rebels edging closer to the Cuban capital every day, Loame races time to find Lila Hacker, as he also plots to spirit his lover Marisol Gonzalez back to Miami, copes with a possibly treacherous former buddy, and tries not to get killed or forfeit his soul in the process.

When successful Atlanta lawyer Leonard Martin loses his family--wife, daughter and grandchildren--to a vicious strain of e.coli, he wins a six-million-dollar settlement and promptly disappears. Three years later, Martin begins gunning down those connected to Knowland, the meat-packing company responsible, one by one, from line workers to high-powered investment bankers. Vietnam vet Walter Sherman, aka the Locator, is the very expensive independent contractor those high-powered bankers hire to find the killer.

Kaltrina Dervishi is a prostitute on the run from Serbian gang leader Fisnik Abazi. The police want her to give evidence against him: Abazi wants her dead. Only her lawyer, Keira Lynch, can keep that from happening. What Keira doesn't realise is that this is a case with global repercussions and it's not long before the CIA come calling. If Kaltrina talks and Abazi is imprisoned, then certain information will come to light - information that men will go to any lengths to keep buried. What they don't realise though is that Keira Lynch isn't your typical Glasgow lawyer. When she was eight years old she killed a man, and as they're about to find out, she's at her most dangerous when threatened.

Explores how global markets, middlemen and destination aspirations drive the 'stepwise migrations' of Filipino and Indonesian migrant domestic workers.

Organ, James Peek, William Porter, John Sandlos, James A. Schaefer

The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family-friendly sitcoms. Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power, as a kind of camouflage, and as a foundation for family building. The book examines how queerness, at first latent, became a vibrant yet continually conflicted part of the family-sitcom tradition. Taking into account elements such as the casting of child actors, the use of and experimentation with plot traditions, the contradictory interpretive valences of comedy, and the subtle subversions of moral standards by writers and directors, Pugh points out how innocence and sexuality conflict on television. As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family, television history reveals a deeper, queerer vision of family bonds.
