She's the daughter of Metaraon, the Voice of God. Now it's time for her to take his place in the world - and pay for his sins. He's a doctor as good with a gun as he is with a scalpel. He knows a lot about the preternatural, but he's not saying why. And he's the new Voice of God's only chance of survival. This collection contains the first three books of The Mage Craft Series, amounting to over 210,000 words. About Cast in Angelfire As a half-angel, half-human mage, Marion Garin is the most powerful witch in the world. She's been embroiled in preternatural politics since childhood and navigates the factions with ease. Or so she's been told. Unfortunately, she's lost her memory, and now Marion doesn't know much of anything. Casting magic? Forget about it. It's not an accident, either. Someone powerful wanted to take Marion out of preternatural politics, and they succeeded. She's told that a man named Seth Wilder could help, but she'll have to find him first. He's been missing for years. Marion needs to track Seth down and fix her memory before her unknown enemy finishes the job... * * * About Cast in Hellfire Marion Garin is the teenage daughter of Metaraon, the former Voice of God. Now she's also the steward of the Winter Court, which has been in anarchy since a revolution five years earlier. Problem: Marion still doesn't remember anything that happened before two weeks ago. Seth Wilder has a lead on her memories. Whoever stole them and sold Marion's essence to a demon lord in Sheol. Marion wants to help steal them back, even though that means abandoning the Winter Court to war. And Seth can't seem to tell Marion no. He wants Marion nearby. Very nearby. Possibly in his teeth. See, Seth has this little problem where he's

developing a killing urge, and it seems to be centered primarily on the half-angel girl who adores him. It conflicts with everything Seth believes himself to be: a moral man, a doctor who heals instead of hurts. Yet he's obsessed with Marion. She wants her memories, and he wants her to have them as much as he wants her blood. They'll work together to make Marion whole, come hell or high water. Even if it means war. Even if it means Seth might hurt Marion. And damned be the consequences... * * * About Cast in Faefire Marion Garin, the Voice of God, is due to marry the Prince of the Autumn Court by the end of the week - assuming that the world's preternatural leadership doesn't have anything to say about it. They plan to strip Prince ErlKonig of his title, ensuring that Marion can't form a god-forbidden treaty with the angels. Still injured from his final fight in Sheol, Seth Wilder is seeking a way to stay alive. If he dies, he'll lose more than his life - he'll be slave to the gods' whims for all eternity. He's ready to take drastic steps. Maybe even make a bargain with the vampires. But what the gods want, they get. And they don't appreciate being defied.
