The Marvels of the Heart Each heart, according to traditional wisdom accumulated over centuries of spiritual practice and experience, possesses four qualities: predatory, animal, demonic, and divine. The latter represents our true origin and potential, and by use of the intelligence and spiritual practices enabled by God ' s grace, we may restore equilibrium to our inner core.

The Marvels of the Heart | Ghazali Children's Project

Most of the Heart of the Universe's history is unknown, but it is known that it is virtually omnipotent and was able to take on all the cosmic beings, the Living Tribunal included during the Infinite events and was the reason that Thanos was able to reach his goal. However, it was supposedly destroyed once Thanos brought his universe back into existence.
