The Mindful Way Through Depression: Freeing Yourself from Chronic Unhappiness (includes Guided Meditation Practices CD)

The Mindful Way through Depression: Freeing Yourself from ...

This somewhat counterintuitive approach is summarized in a book called The Mindful Way Through Depression. The core idea of the book is that the very thing that seems most natural when we're depressed—trying to eliminate our negative feelings—is what exacerbates our depression and makes us all the more vulnerable to it in the future.

The Mindful Way Through Depression: A Brief Summary & Review

Praise For The Mindful Way through Depression: Freeing Yourself from Chronic Unhappiness ... "Using mindfulness training to prevent and treat depression is a novel strategy in the West, though it is a traditional application of Eastern meditation practice.

01-The Mindful Way Through Depression

If you've ever struggled with depression, take heart. Mindfulness, a simple yet powerful way of paying attention to your most difficult emotions and life experiences, can help you break the cycle of chronic unhappiness once and for all. In The Mindful Way through Depression, four uniquely qualified experts explain why our usual attempts to "think" our way out of a bad mood or just "snap out of it" lead us deeper into the downward spiral. Through insightful lessons drawn from both Eastern meditative traditions and cognitive therapy, they demonstrate how to sidestep the mental habits that lead to despair, including rumination and self-blame, so you can face life's challenges with greater resilience. This e-book includes an audio program of guided meditations, narrated by Jon Kabat-Zinn, for purchasers to stream or download from the Web. See also the authors' Mindful Way Workbook, which provides step-by-step guidance for building your mindfulness practice in 8 weeks. Plus, mental health professionals, see also the authors' bestselling therapy guide: Mindfulness-Based Cognitive Therapy for Depression, Second Edition. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit

Imagine an 8-week program that can help you overcome depression, anxiety, and stress--by simply learning new ways to respond to your own thoughts and feelings. That program is mindfulness-based cognitive therapy (MBCT), and it has been tested and proven effective in clinical trials throughout the world. Now you can get the benefits of MBCT any time, any place, by working through this carefully constructed book. The expert authors introduce specific mindfulness practices to try each week, plus reflection questions, tools for keeping track of progress, and helpful comments from others going through the program. Like a trusted map, this book guides you step by step along the path of change. Guided meditations are provided on the accompanying MP3 CD and are also available as audio downloads. Note: The MP3 CD can be played on CD players (only those marked "MP3-enabled") as well as on most computers. See also the authors' The Mindful Way through Depression, which demonstrates these proven strategies with in-depth stories and examples. Plus, mental health professionals, see also the authors' bestselling therapy guide: Mindfulness-Based Cognitive Therapy for Depression, Second Edition. Winner (Second Place)--American Journal of Nursing Book of the Year Award, Consumer Health Category ȳ

If you've ever struggled with depression, take heart. Mindfulness, a simple yet powerful way of paying attention to your most difficult emotions and life experiences, can help you break the cycle of chronic unhappiness once and for all. In The Mindful Way through Depression, four uniquely qualified experts explain why our usual attempts to "think" our way out of a bad mood or just "snap out of it" lead us deeper into the downward spiral. Through insightful lessons drawn from both Eastern meditative traditions and cognitive therapy, they demonstrate how to sidestep the mental habits that lead to despair, including rumination and self-blame, so you can face life's challenges with greater resilience. This enhanced e-book includes an audio program of guided meditations narrated by Jon Kabat-Zinn. See also the authors' Mindful Way Workbook, which provides step-by-step guidance for building your mindfulness practice in 8 weeks. Plus, mental health professionals, see also the authors' bestselling therapy guide: Mindfulness-Based Cognitive Therapy for Depression, Second Edition. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit

This acclaimed work, now in a new edition, has introduced tens of thousands of clinicians to mindfulness-based cognitive therapy (MBCT) for depression, an 8-week program with proven effectiveness. Step by step, the authors explain the "whys" and "how-tos" of conducting mindfulness practices and cognitive interventions that have been shown to bolster recovery from depression and prevent relapse. Clinicians are also guided to practice mindfulness themselves, an essential prerequisite to teaching others. Forty-five reproducible handouts are included. Purchasers get access to a companion website featuring downloadable audio recordings of the guided mindfulness practices (meditations and mindful movement), plus all of the reproducibles, ready to download and print in a convenient 8 1/2" x 11" size. A separate website for use by clients features the audio recordings only. New to This Edition \*Incorporates a decade's worth of developments in MBCT clinical practice and training. \*Chapters on additional treatment components: the pre-course interview and optional full-day retreat. \*Chapters on self-compassion, the inquiry process, and the three-minute breathing space. \*Findings from multiple studies of MBCT's effectiveness and underlying mechanisms. Includes studies of adaptations for treating psychological and physical health problems other than depression. \*Audio files of the guided mindfulness practices, narrated by the authors, on two separate Web pages--one for professionals, together with the reproducibles, and one just for clients. See also the authors' related titles for clients: The Mindful Way through Depression demonstrates these proven strategies in a self-help format, with in-depth stories and examples. The Mindful Way Workbook gives clients additional, explicit support for building their mindfulness practice, following the sequence of the MBCT program. Plus, for professionals: Mindfulness-Based Cognitive Therapy with People at Risk of Suicide extends and refines MBCT for clients with suicidal depression.

Leading psychologists Susan M. Orsillo and Lizabeth Roemer present a powerful new alternative that can help you break free of anxiety by fundamentally changing how you relate to it.

Take a deep breath. Feeling less stressed already? Bestselling author Shamash Alidina shows just how simple it is to master the proven techniques of mindfulness-based stress reduction (MBSR) in this engaging guide. MBSR has enhanced the physical and emotional well-being of hundreds of thousands of people around the world. In as little as 10 minutes a day over 8 weeks, you'll be taken step by step through a carefully structured sequence of guided meditations (available to purchasers for download at the companion website) and easy yoga exercises. Vivid stories, everyday examples, and opportunities for self-reflection make the book especially inviting. Science shows that MBSR works--and now it is easier than ever to get started.

Do you ever feel like you want more from your life--but get scared or overwhelmed by the idea of making changes? For many, worry, fear, or negativity are stumbling blocks that can be extraordinarily difficult to overcome. This effective workbook provides a blueprint to help you move through painful emotions without being ruled by them. Vivid stories of others who have struggled with anxiety are accompanied by meditation and acceptance practices and step-by-step exercises that build self-knowledge and self-compassion (you can download and print additional copies of the worksheets as needed). Armed with a deeper understanding of what you really value, you can break free of the common traps that leave people feeling stuck--and dare to live the life you really want. Audio downloads of the mindfulness practices, narrated by the authors, are provided at www.guilford.com/orsillo2-materials. See also the authors' Mindful Way through Anxiety, which explains mindfulness techniques in greater detail. Worry Less, Live More can be used on its own or as the perfect way to expand on and enhance the lessons of the first book using a step-by-step approach.

Do you find yourself ruminating about things you can't control? Worrying about those yet-to-complete goals and projects? What about just feeling like you're not the person you want to be? People who worry and ruminate find it difficult to stop anxiously anticipating future events and regretting or rethinking past actions. Left unchecked, this tendency can lead to mental health problems such as depression and generalized anxiety disorder. The Mindful Path Through Worry and Rumination offers powerful mindfulness strategies derived from Buddhist spiritual practices and proven psychological techniques to help you stop overthinking what you can't control-the future and the past-and learn how to find contentment in the present moment.

Discusses cultivating mindfulness to move past shyness and gain social confidence, helping readers to make stronger connections with others and reduce social stress and anxiety.

More than twenty years ago, Jon Kabat-Zinn changed the way we thought about awareness in everyday life with his now-classic introduction to mindfulness, Wherever You Go, There You Are. He followed that up with 2005's Coming to Our Senses, the definitive book for our time on the connection between mindfulness and our well-being on every level, physical, cognitive, emotional, social, planetary, and spiritual. Now, Coming to Our Senses is being repackaged into 4 smaller books, each focusing on a different aspect of mindfulness, and each with a new foreword written by the author. In the fourth of these books, Mindfulness for All (which was originally published as Part VII and Part VIII of Coming to Our Senses), Kabat-Zinn focuses on how mindfulness really can be a tool to transform the world--explaining how democracy thrives in a mindful context, and why mindfulness is a vital tool for both personal and global understanding and action in these tumultuous times. By "coming to our senses"--both literally and metaphorically--we can become more compassionate, more embodied, more aware human beings, and in the process, contribute to the healing of the body politic as well as our own lives in ways both little and big.
