The Pursuit of Victory: The Life and Achievement of ...

In this original and provocative study, Brian Bond discusses the successes and failures of military and political leaders in their pursuit of victory over the last two centuries. Professor Bond argues that in order to be counted victorious, a leader has to progress beyond military triumph to preserve the political control needed to secure an advantageous and enduring peace settlement.

The Pursuit Of Victory: From Napoleon to Saddam Hussein ...

The Pursuit of Victory: From Napoleon to Saddam Hussein by Brian Bond (Professor of Military History, Professor of Military History, King's College, London) In Western Europe and North America the idea that war can deliberately be used as an 'instrument of policy' has become unfashionable, not least because of the carnage of two World Wars and the Americans' humiliating experience in Vietnam.
