The Way of the World is a play written by the English playwright William Congreve. It premiered in early March 1700 in the theatre in Lincoln's Inn Fields in London. It is widely regarded as one of the best Restoration comedies and is still occasionally performed. Initially, however, the play struck many audience members as continuing the immorality of the previous decades, and was not well received.

The Way of the World - Wikipedia

"The Way of the World" is a wonderfully written play. Te characters, however, though committed to their values (such as they are), are as shallow as can be. It's an aesthetically pleasing and enjoyable play, but for me, just short of greatness.

The Way of the World: Congreve, William: 9781985286924 ...

The first three acts of William Congreve's play, The Way of the World (1700), involve little action. The scenes focus on introducing and contrasting characters, highlighting witty dialogue, and slowly revealing details of prior events through casual references. Polite, formalized language disguises selfish motives, rivalries, deceit, and deviousness.

The Way Of The World: Congreve, William: 9781169251410 ...

The Way of the World, comedy of manners in five acts by William Congreve, performed and published in 1700. The play, which is considered Congreve's masterpiece, ridicules the assumptions that governed the society of his time, especially those concerning love and marriage. The plot concerns the efforts of the lovers Millamant and Mirabell to obtain the permission of Millamant's aunt for their marriage.

The Way of the World - CliffsNotes

Witwoud and Petulant are a pair of the fops and false wits that abounded in Restoration London, or at least in Restoration drama. They have no part in the action of The Way of the World; at most, they serve to suggest Millamant's train of suitors. Congreve's deftness of line is such that, over the years, critics have complained about the brilliance of some of Witwoud's speeches – for instance, "a letter as heavy as a panegyric in a funeral sermon" is not a bad line.

The Way of the World - CliffsNotes Study Guides

The Way of the World Summary. Buy Study Guide. Mirabell, once a womanizer, seeks to marry a girl he loves, Ms. Millamant. Unfortunately, her aunt, Lady Wishfort, holds power over her 6,000 pound inheritance and despises Mirabell because he once pretended to love her. Mirabell and Ms. Millamant devise a plot in which his servant, Waitworth, will marry Lady Wishfort's servant, Foible, and then woo Lady Wishfort in disguise as Mirabell's uncle, Sir Rowland.

The Way of the World (FULL audiobook) - YouTube

The Way of the World (1700) is Congreve's best experimental comedy even though he employs a typical plot formula for a Restoration comedy of manners. The world of the play reflects Congreve's own society and revolves around a witty young man winning a lady and her fortune after overcoming the obstacles posed by

The Way of the World Prologue and Act I Summary and ...

The Way of the World by English playwright William Congreve premiered in London in 1700. Considered one of the best Restoration comedies, it is still performed occasionally today but was controversial in its time due to its bawdy themes and sexual explicitness, which had fallen out of favor in its time.

Read Book The Way Of World William Congreve

Greatest of all Restoration comedies depicts the scheming of a nest of shallow, deceitful aristocrats to prevent two lovers from marrying. Delicious verbal battles of the sexes, exceptional depths of feeling and sensitivity.

This is an annotated edition of William Congreve's play *The Way of the World* (1700). This edition, besides elucidating the text, attempts to bring out its larger social implications and moorings. It thus addresses a lingering prejudice about the shallowness and moral bankruptcy of the Restoration comedy of manners. The author has analysed, before examining the play, the social and historical background of the author and his works. Further, he has also added a brief discussion of the Restoration comedy, including the other comedies of Congreve.

More successful in its day than *The Way of the World*, which is now accounted Congreve's best play, *Love for Love* (1695) is a comical farce manifesting the verbal polish and the theatrical wit that audiences so enjoy in Congreve. Valentine, Sir Sampson's dissolute eldest son, finds himself at a standstill; the only way out of his financial difficulties is to give in to his father's pressure to renounce his right of inheritance. While this suggestion immediately increases the chances of his bluff younger brother Ben on the marriage mart, Valentine's own chances with his beloved Angelica would proportionally decrease. To avoid having to sign the renunciation Valentine puts on an 'antic disposition' and pretends to be mad. Angelica, seeing through him, provokes him back into sanity by pretending to agree to marry his father. Valentine recovers, the lovers reunite, and Ben, too, has meanwhile found the girl of his heart

With piercing accuracy William Congreve depicted the shallow, brittle world of 'society' where the right artifice in manners, fashion and conversation--and money--eased the passage to success. Through sparkling, witty dialogue and brilliant characterisation--Lady Plyant, Valentine, Lady Touchwood, Mirabell and Millamant--Congreve exposed the follies and vanities of that world, and suggested that behind the glinting mirror lay something more brutal. 'The language is everywhere that of Men of Honour, but their Actions are those of Knaves; a proof that he was perfectly well acquainted with human Nature, and frequented what we call polite company.' --Voltaire 'Congreve quitted the stage in disdain, and comedy left it with him.' --A contemporary

A history of the Bard's competitively pursued *First Folio* traces the author's travels from the site of a Sotheby auction to regions in Asia, throughout which he investigated the roles played by those who have sought and owned the *Folios*.

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (*Wall Street Journal*). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves--and the world--for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. "Powerful." --USA Today "Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes

A "lively and engaging" history of the Middle Ages (*Dallas Morning News*) from the acclaimed historian William Manchester, author of *The Last Lion*. From tales of chivalrous knights to the barbarity of trial by ordeal, no era has been a greater source of awe, horror, and wonder than the Middle Ages. In handsomely crafted prose, and with the grace and authority of his extraordinary gift for narrative history, William Manchester leads us from a civilization tottering on the brink of collapse to the grandeur of its rebirth: the dense explosion of energy that spawned some of history's greatest poets, philosophers, painters, adventurers, and reformers, as well as some of its most spectacular villains. "Manchester provides easy access to a fascinating age when our modern mentality was just being born." --Chicago Tribune

Considers how non-linear notions of causality and time--where multiple, interacting, and partially open systems coexist--could transform the way we

imagine political action.

The five plays included in this volume William Wycherley's "The Country Wife," Sir George Etherege's "The Man of Mode," William Congreve's "The Way of the World," Sir Richard Steele's "The Conscious Lovers" and Richard B. Sheridan's "The School for Scandal" are the most distinguished comedies written during an especially exciting and innovative period in the London theater and English society. This Norton critical edition offers an authoritative text for each play and a unique collection of documents and critical essays (ranging from Charles Lamb to the present) for a deeper understanding of them.
