A delightful collection of inspiring quotations from the mind of Antoine de Saint- Exupéry, author of *The Little Prince*. "One sees clearly only with the heart. Anything essential is invisible to the eyes." For more than sixty years, this insight from *The Little Prince* has been quoted in more than 130 languages by fans around the world. Now, for the first time, quotations from the collected works and letters of Antoine de Saint-Exupéry are presented in a charming gift edition. Six chapters—Happiness, Friendship, Responsibility, Fortitude, Love, and What Is Essential—offer inspirational and thought-provoking words about the subjects held most dear by the author. A perfect gift for graduates—or for anyone who wants gentle guidance.

An Incredibly Humorous Coloring book for Kids and Adults!

For years, moral language has been the province of the Right, as the Left has consoled itself with rudderless pragmatism. In this profound and powerful book, Susan Neiman reclaims the vocabulary of morality--good and evil, heroism and nobility--as a lingua franca for the twenty-first century. In constructing a framework for taking responsible action on today's urgent questions, Neiman reaches back to the eighteenth century, retrieving a series of values--happiness, reason, reverence, and hope--held high by Enlightenment thinkers. In this thoroughly updated edition, Neiman reflects on how the moral language of the 2008 presidential campaign has opened up new political and cultural possibilities in America and beyond. --

She's the one woman I'd give anything to forget--and now I'm stuck living with her. I'm making a fresh start in Lake Tahoe, until my stubborn sister decides to move Mira into our cabin. I'll be damned if I move out on Mira's account. Nothing has changed in the years since I last saw Mira. Her tempting body and smart mouth taunt me daily. The only hope I have at keeping my sanity is the knowledge that Mira is hiding something. Sooner or later I'll discover her secret, and knowing her, it'll be damning. But first, I have to ignore the urge to kiss and touch and make Mira mine again.

--EXCERPT-- I grab her waist, guiding her back against the shelves. She kisses my cheekbone, nibbles my earlobe. "We can't do this here." That nibble shoots straight to my groin. "I beg to differ. I think we can manage." Once the walls come down, emotions run hot. Grab *Never Date Your Ex*, a sexy, second-chance romance! Keywords: second chance romance, New Adult, second chances, enemies to lovers, suspense, first love, feel-good, casino romance, men of lake tahoe, romantic comedy, rom-com, steamy romance, second-chance romance, new adult romance, enemies-to-lovers,

Contains an updated, extensively detailed chapter on sexual assault listing proper procedures for collecting, securing and transferring evidence, following up, documenting the assault and testifying in court, all in a bulleted, easy-to-follow format. * Offers newly revised wound management chapter with more detailed definitions and descriptions of wounds and wound care. * Includes separate chapters on intravenous therapy and laboratory specimens. New chapter providing specialty information about forensic nursing (Chapter 40) thoroughly explains the role forensic nursing plays; situations calling for collection of forensic data; how to take forensic photography; how to collect, track, and document physical evidence appropriately; and treatment of and concerns surrounding special situations (e.g., gun shot wounds, stab wounds, suicides/accidents). A new chapter about patient and family education (Chapter 3) stresses the growing importance of providing the patient and family with the information they need as they continue through the healing process. This chapter helps emergency personnel identify learning needs, assess the learner, establish learning goals, select and use appropriate teaching methods, evaluate the effectiveness, and document. Examples of discharge instructions for common ailments (e.g., nosebleed, wound care/burn care, sore throat/cold) are also included. New chapter on basic legal issues for emergency nurses (Chapter 8) addresses yet another hot topic by describing terms for legal consent (e.g., patient age, patient competency, reportable conditions/situations), proper treatment of psychiatric patients, appropriate handling of forensic issues, and terms of the Emergency Medical Treatment and Active Labor Act (EMTALA). A new chapter about allergies (Chapter 20) clearly and completely gives information about allergic reactions by providing definitions, describing types of reactions and the associated signs and symptoms and therapeutic interventions, listing diagnostic tests for allergies, explaining latex allergy, and giving information about education and support. Radically revised chapter on sexual assault (Chapter 31) that gives more in depth details about sexual
