After an invisible force field seals off Chester Mills, Maine, from the rest of the world, it is up to Dale Barbara, an Iraq veteran, and a select group of citizens to save the town, if they can get past Big Jim Rennie, a murderous politician, and his son, who hides a horrible secret in his dark pantry. Reprint.

The second season of the television adaptation of UNDER THE DOME will receive its UK premiere on Channel 5 on Monday, August 25th (produced by Steven Spielberg). King's bestselling novel centres on a small town suddenly and inexplicably sealed off from the rest of the world by an invisible dome. In UNDER THE DOME, King has produced another riveting masterpiece. The end of every chapter hooks you into the next, drawing you inside a psychological drama that is so rich, you don't read it, you live it. It is the story of the small town of Chester's Mill, Maine which is inexplicably and suddenly sealed off from the rest of the world by an invisible force field. No one can get in and no one can get out. The normal rules of society are suddenly changed and when food, electricity and water run short, the community begins to crumble. As a new and more sinister social order develops, Dale Barbara, Iraq veteran, teams up with a handful of intrepid citizens to fight against the corruption that is sweeping through the town and to try to discover the source of the Dome before it is too late . . .

After an invisible force field seals off Chester's Mill, Maine, from the rest of the world, it is up to a select group of citizens to save the town, if they can get past a murderous politician and his son.

Meet Claire Waters, a young, dedicated forensic psychiatrist with unnervingly personal insights into the criminal mind. Haunted by a disturbing childhood incident--and driven by her demons--Claire has always been drawn to those rare "untreatable" patients who seem to have no conscience or fear. She has a natural ability to put people at ease, to help them face their darkest secrets. But one shocking case could make or break her career--and it's waiting for her in the psychiatric wing of New York City's Rikers Island.

It: Chapter Two—now a major motion picture! Stephen King ' s terrifying, classic #1 New York Times bestseller, “ a landmark in American literature ” (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It ' s a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city ' s children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry ' s sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. “ Stephen King ' s most mature work ” (St. Petersburg Times), “ It will overwhelm you...to be read in a well-lit room only ” (Los Angeles Times).

In this spectacular New York Times bestselling father/son collaboration that “ barrels along like a freight train ” (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious “ Eve Black, ” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman ' s prison, Sleeping Beauties is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.
